„... als selbstständige Leistung“

Für die Interpretation dieses indirekten Ausschlusses bei Sonderleistungspositionen LI bis III gibt es nur wenige bindende „Spielregeln“. Hier einige Tipps, um bestimmte Ziffern doch nebeneinander abrechnen zu können.

**EBM-Tipp**

14

Alle Macht dem Ausschuss

Der Koordinierungsausschuss gemäß § 137 e SGB V wird künftig das zentrale Gremium zur Sicherung von Qualität und Wirtschaftlichkeit der Versorgung in allen Bereichen des Gesundheitswesens sein.

24

Präkanzerosen der Mundschleimhaut

Diese Erkrankungen können nur durch sorgfältige Untersuchung entdeckt und durch konsequente histologische Abklärung und Beobachtung beherrscht werden.
