

Clinical Research in Cardiology

Official Journal of the German Cardiac Society

Organ of: Sektion Kardiologie im Berufsverband Deutscher Internisten e.V., in cooperation with the Arbeitsgemeinschaft Leitender Kardiologischer Krankenhausärzte, the Deutsche Gesellschaft für Pädiatrische Kardiologie and the Deutsche Gesellschaft für Prävention und Rehabilitation von Herz-Kreislaufkrankungen e.V.

Volume 95, Number 3, March 2006

CLINICAL PICTURES

- M. Horlitz, P. Schley, A. Thiel, D.-I. Shin, M. Müller, R.M. Klein, H. Gülker (Wuppertal)
Wolff-Parkinson-White syndrome associated with persistent left superior vena cava . . . 133

REVIEW

- V. Regitz-Zagrosek, E. Lehmkuhl, M.O. Weickert (Berlin/Potsdam-Rehbrücke)
Gender differences in the metabolic syndrome and their role for cardiovascular disease . . . 136

ORIGINAL PAPERS

- P. Bernhardt, H. Schmidt, T. Sommer, B. Lüderitz, H. Omran (Bonn) Atrial fibrillation – patients at high risk for cerebral embolism 148
- R. Reibis, C. Dovifat, R. Dissmann, B. Ehrlich, S. Schulz, K. Stolze, K. Wegscheider, H. Völler (Ruedersdorf/Bremerhaven/Hamburg) Implantation of evidence-based therapy in patients with systolic heart failure from 1998–2000 154
- D. Haghi, T. Suselbeck, S. Fluechter, G. Kalmar, M. Schroder, J.J. Kaden, T. Poerner, M. Borggreffe, T. Papavassiliu (Mannheim) A hybrid approach for quantification to aortic valve stenosis using cardiac magnetic resonance imaging and echocardiography – comparison to right heart catheterization and standard echocardiography 162

CASE REPORTS

- M. Füller, C. Reithmann, A. Becker, T. Remp, A. Kment, G. Steinbeck (München/Weilheim)
Bundle branch reentrant tachycardia in a patient with a calcified bicuspid aortic valve and normal ventricular function 168
- M. Hinterseer, A. Becker, A.S. Barth, R. Kozlik-Feldmann, B.J. Wintersperger, J. Behr (München) Interventional embolization of a giant pulmonary arteriovenous malformation with right-left-shunt associated with hereditary hemorrhagic telangiectasia 174
- H. Grawe, M. Katoh, H.P. Kühl (Aachen) Stress cardiomyopathy mimicking acute coronary syndrome – case presentation and review of the literature 179
- G. Pilz, M. Klos, P. Bernhardt, A. Schöne, R. Scheck, B. Höfling (München) Reversible cerebral hyperperfusion syndrome after stenting of the carotid artery – two case reports 186
