

# Clinical Research in Cardiology

Official Journal of the German Cardiac Society

Organ of: Sektion Kardiologie im Berufsverband Deutscher Internisten e.V., in cooperation with the Arbeitsgemeinschaft Leitender Kardiologischer Krankenhausärzte, the Deutsche Gesellschaft für Pädiatrische Kardiologie and the Deutsche Gesellschaft für Prävention und Rehabilitation von Herz-Kreislaufkrankungen e.V.

## Volume 95, Number 9, September 2006

### ORIGINAL PAPERS

- F. Beier, M. Gyöngyösi, T. Raeder, E. von Eckardstein-Thumb, W. Sperker, P. Albrecht, C. Spes, D. Glogar, H. Mudra (München/Wien)  
First in-human randomized comparison of an anodized niobium stent versus a standard stainless steel stent – An intravascular ultrasound and angiographic two-center study: the VELA study . . . . . 455
- P. Bernhardt, B. Levenson, T. Engels, O. Strohm (München/Berlin)  
Contrast-enhanced adenosine-stress magnetic resonance imaging – feasibility and practicability of a protocol for detection or exclusion of ischemic heart disease in an outpatient setting . . . . . 461
- R. Kozlik-Feldmann, R. Dalla Pozza, U. Römer, T. Rampp, P. Bernasconi, S. Däbritz, H. Netz (München) First experience with the 2005 modified Gore Helex ASD occluder system . . . . . 468

### CLINICAL CORRESPONDENCES

- M. Hinterseer, A. Becker, S. Kääh, N. Lang, M. Näbauer, G. Steinbeck (Munich)  
Thalidomide-induced symptomatic third-degree atrioventricular block . . . . . 474
- J. Hadem, F. Schröder, T. Winkler, B. Gohrbandt, D. Fischer, T. Korte, H. Drexler (Hannover) One day from dyspnea to death – Unsuccessful application of extracorporeal membrane oxygenation in toxoplasma myocarditis following bone marrow transplantation . . . . . 477
- C. Langer, J. Körfer, A. Peterschröder, L. Faber, P. Beerbaum, W. Scholtz, U. Raute-Kreinsen, E. Fricke, R. Körfer, D. Horstkotte (Bad Oeynhausen)  
Right atrial hemangioma in modern cardiac imaging . . . . . 482
- H. Nägele, M. Azizi, S. Hashagen, S. Behrens (Reinbek) Long-term follow-up of a malpositioned ventricular pacing lead via the aortic valve . . . . . 488
- A. Deetjen, G. Conradi, S. Möllmann, A. Kluge, C.W. Hamm, T. Dill (Bad Nauheim/Stuttgart) Cardiac metastasis of a renal cell adenocarcinoma investigated by cardiac Magnetic Resonance Imaging . . . . . 492
- S. Sarikouch, R. Schaeffler, M. Peuster, P. Beerbaum (Bochum) Complex tracheal stenosis related to pulmonary artery sling and VACTER-association . . . . . 496
- K. König, J.C. Will, F. Berger, D. Müller, D.W. Benson (Berlin/Cincinnati, OH, USA)  
Familial congenital heart disease, progressive atrioventricular block and the cardiac homebox transcription factor gene NKX2.5: identification of a novel mutation . . . . . 499
