

Clinical Research in Cardiology

Official Journal of the German Cardiac Society

Organ of: Sektion Kardiologie im Berufsverband Deutscher Internisten e.V., in cooperation with the Arbeitsgemeinschaft Leitender Kardiologischer Krankenhausärzte, the Deutsche Gesellschaft für Pädiatrische Kardiologie and the Deutsche Gesellschaft für Prävention und Rehabilitation von Herz-Kreislaufkrankungen e.V.

Volume 95, Number 10, October 2006

CRITICAL PERSPECTIVE

- K. Schrör, T. Hohlfeld, A.-A. Weber (Düsseldorf) Aspirin-resistance – does it clinically matter? 505

EDITORIAL

- V. Köllner, K. Bernardy (Homburg/Blieskastel) How to reduce stress and anxiety in patients undergoing cardiac catheterization? 511

ORIGINAL PAPERS

- H. Argstatter, W. Haberbosch, H.V. Bolay (Heidelberg/Suhl) Study of the effectiveness of musical stimulation during intracardiac catheterization 514
- A. Esmaeili, R. Höhn, A. Koch, T.J. Vogl, R. Hofstetter, N. Abolmaali (Frankfurt a.M./Dresden) Assessment of shunt volumes in children with ventricular septal defects: comparative quantification of MR flow measurements and invasive oximetry 523
- G. Pilz, P. Bernhardt, M. Klos, E. Ali, M. Wild, B. Höfling (Hausham) Clinical implication of adenosine-stress cardiac magnetic resonance imaging as potential gatekeeper prior to invasive examination in patients with AHA/ACC Class II indication for coronary angiography 531
- J. Müller-Nordhorn, G. Schüler, S. Roll, S. N. Willich (Berlin) Implantation of a cardiac pacemaker – comparison of subjective stress and mood between in- and outpatients 539

CLINICAL CORRESPONDENCES

- I. Dursun, O. Yesildag, K. Soylu, O. Yilmaz, E. Yasar, M. Meric (Kurupelit Samsun, Turkey) Late pacemaker Twiddler syndrome 547
- M. Brueck, D. Bandorski, P.R. Vogt, W. Kramer, M.C. Heidt (Wetzlar/Giessen) Myocardial ischemia due to an isolated coronary fistula 550
- N. Nägele, M. Ergin, M. Azizi, S. Behrens, S. Jäckle (Hamburg) Reversible impairment of myocardial function in Hanta-virus infection – direct viral effect? 554
- B. Chatterjee, U. Bürgi (Bern, Switzerland) Syncope of a drug addict – a special case 557
- J. Kammler, R. Hofmann, C. Steinwender, A. Kypta, F. Leisch (Linz) Simultaneous angiographic late stent thrombosis in two different coronary vessels after withdrawal of the combined anti-platelet therapy 560
- B.J. Stuck, R.E. Dabew, H.-J. Schäfers, M. Böhm (Homburg/Saar) Chest pain due to sternotomy wire suture in a patient with revascularized coronary heart disease 565
