

Clinical Research in Cardiology

Official Journal of the German Cardiac Society

Organ of: Sektion Kardiologie im Berufsverband Deutscher Internisten e.V., in cooperation with the Arbeitsgemeinschaft Leitender Kardiologischer Krankenhausärzte, the Deutsche Gesellschaft für Pädiatrische Kardiologie and the Deutsche Gesellschaft für Prävention und Rehabilitation von Herz-Kreislaufkrankungen e.V.

Volume 95, Number 11, November 2006

CRITICAL PERSPECTIVE

- M. Pauschinger, M. Noutsias, D. Lassner, H.-P. Schultheiss, U. Kuehl (Berlin)
Inflammation, ECG changes and pericardial effusion: whom to biopsy
in suspected myocarditis? 569

ORIGINAL PAPERS

- P. Lanzer, R. Weser, C. Prettin (Bitterfeld/Coswig/Leipzig)
Coronary-like revascularization for atherosclerotic renal artery stenosis –
results in 181 consecutive patients 584
- B. Strohmer, C. Scherthner, M. Pichler (Salzburg) Simultaneous angiographic
imaging of ipsilateral pulmonary veins for catheter ablation
of atrial fibrillation 591

CLINICAL CORRESPONDENCES

- C. Zobel, F. Kuhn-Regnier, K. Krüger, M. Gerharz, C.A. Schneider, J. Müller-Ehmsen,
E. Erdmann (Cologne) Echinococcus cyst located in the interventricular septum 600
- M.-R. Movahed (Tucson, AZ) Six months patency of three long drug eluting
stents documented by surveillance coronary multi-detector computed
tomography (MDCT) 605
- G. F. Greil, M. Gass, V. Kuehlkamp, R. M. Botnar, I. Wolf, S. Miller, L. Sieverding
(Tuebingen/Munich/Heidelberg) Radiofrequency ablation of right ventricular
outflow tract tachycardia using a magnetic resonance 3D model for
interactive catheter guidance 610
- G. Conradi, A. Deetjen, S. Möllmann, C.W. Hamm, T. Dill (Bad Nauheim)
Symptomatic atrial fibrillation as the first symptom of a giant left atrial
appendage aneurysm 614
- H. Kälsch, T. Konorza, R. Erbel (Essen) Occlusion of the femoral artery after the
usage of the Percutaneous Suture-Mediated Closure System Perclose 617

LEITLINIEN

- W.G. Daniel, H. Baumgartner, C. Gohlke-Bärwolf, P. Hanrath, D. Horstkotte,
K.C. Koch, A. Mügge, H.J. Schäfers, F.A. Flachskampf (Erlangen)
Klappenvitien im Erwachsenenalter 620
