

Colorectal cancer: controversies in adjuvant therapy	1
Oral session: myelodysplastic syndrome & PNH	1
Oral session: supportive therapy / palliative medicine / psycho oncology	4
Non-small cell lung cancer	8
Regulation of normal and leukaemic haematopoiesis	8
Oral session: sarcoma / melanoma / rare tumours	9
Oral session: gastrointestinal cancer	11
Oral session: basic science	13
Symposium der Arbeitsgemeinschaft Infektionen in der Hämatologie und Onkologie AGIHO	15
Breast cancer: risk-adapted adjuvant chemotherapy	16
Symposium des Kompetenznetzes "Akute und chronische Leukämien"	16
Experimental concepts in tumour immunology	16
Oral session: urogenital cancer	17
Stem cell biology	20
Oral session: aggressive lymphoma: basic / infectiology	20
Genomics as experimental and diagnostic technique in oncology	23
Oral session: acute myeloid leukaemia	24
Oral session: stem cell transplantation I	26
Oral session: myeloma	29
Best abstracts	31
Oral session: urological oncology cases	35
Oral session: infectious disease problems	35
Oral session: anaemia/lymphoma	36
Oral session: various clinical problems	37
Systemic therapy of metastatic colo-rectal cancer	38
Oral session: aggressive lymphoma: clinical / Hodgkin's disease	39
Oral session: acute lymphocytic leukaemia	42
Biology of CLL	45
Oral session: myeloproliferative syndromes	46
Adolescent oncology	48
Psycho-social problems and rehabilitation of cancer patients	49
Clinical neuro-oncology	50
Oral session: lung cancer and gynaecological cancers	51
EGFR modulation: basics and clinical application	54
Oral session: immunology	55
Aktuelle Aspekte der geriatrischen Onkologie: Symposium des Arbeitskreises der DGHO sowie der Arbeitsgruppe der Österreichischen Gesellschaft für Hämatologie und Onkologie	57
