

Zeitschrift für Orthopädie und Unfallchirurgie

September/October 2007 · p. S1 – S52 · Vol. 145

S1 · 2007

S1 Editorial

- S1 The Bicontact Hip Arthroplasty System
S. Weller

S3 Original Articles

- S3 Prospective Long-Term Follow-Up of the Cementless Bicontact Hip Stem with Plasmapore Coating
U. Ochs, C. Eingartner, R. Volkmann, B. G. Ochs, C. Huber, S. Weller, K. Weise
- S9 Bicontact Plasmacup THA in Patients with Staged Bilateral Hip Replacement
A. Braun, M. Acker
- S13 12-Year Results with the Cementless Bicontact SD Stem in Dysplastic and Narrow Femoral Bone Conditions
S. Kohler, V. Nahmacher
- S20 EBRA Migration Patterns of the Plasmacup with Ceramic or Polyethylene Inserts: A Randomised Study
U. Ochs, T. Ilchmann, B. G. Ochs, J. Marx, K. Brunnhuber, M. Lüem, K. Weise
- S25 Experiences with Bicontact Ceramic-Ceramic Total Hip Arthroplasty
E. T. Takata, R. Basile, W. M. Albertoni
- S29 Treatment of Periprosthetic Femoral Fractures with the Bicontact Revision Stem
C. Eingartner, U. Ochs, D. Egetemeyer, R. Volkmann
- S34 Treatment of Large Femoral Bone Defects – 15-Year Experiences with the Cementless Bicontact Revision Stem with Distal Interlocking
B. G. Ochs, R. Volkmann, C. Eingartner, I. Ludolph, S. Weller, K. Weise, U. Ochs
- S40 The Uncemented Primary Bicontact Stem in Revision Total Hip Arthroplasty in Young Patients
F. Thorey, M. Lerch, H. Kiel, G. von Lewinski, C. Stukenborg-Colsman, H. Windhagen
- S44 Revision Surgery in High Grade Acetabular Defects with Thermodisinfectied Allografts
R. Volkmann, K. Bretschneider, E. Erlekampf, S. Weller
- S49 The Orthopilot Navigation System for Primary Bicontact Total Hip Replacement
H. Kiefer, A. Othman
