

REVIEW

Clinical implications of the echocardiographic assessment of left ventricular long axis function

K.A. Triantafyllou · E. Karabinos · H. Kalkandi · A.I. Kranidis · D. Babalis 521

ORIGINAL PAPERS

Comparing the antiplatelet effect of clopidogrel hydrogensulfate and clopidogrel besylate: a crossover study

H. Neubauer · J.C. Krüger · S. Lask · H.G. Endres · F. Pepinghege · A. Engelhardt · D. Bulut · A. Mügge 533

German stereotaxis-guided percutaneous coronary intervention study group: first multicenter real world experience

K. Krause · U. Adamu · M. Weber · K. Hertting · C. Hamm · K.-H. Kuck · R. Hoffmann · M. Kelm · R. Blindt 541

The risk of definitive stent thrombosis is increased after "off-label" stent implantation irrespective of drug-eluting stent or bare-metal stent use

R. Hoffmann · H. Klinker · U. Adamu · M. Kelm · R. Blindt 549

Predicting microvascular obstruction with cardiac troponin T after acute myocardial infarction: a correlative study with contrast-enhanced magnetic resonance imaging

M. Neizel · S. Futterer · H. Steen · E. Giannitsis · L. Reinhardt · D. Lossnitzer · S. Lehrke · A.S. Jaffe · H.A. Katus 555

Transcatheter closure of multi-hole perimembranous VSD with aneurysm: 3-year follow-up study

H. Wu · Y. Qin · X. Zhao · J. Hu · X. Zheng · E. Wang · W. Li · Y. Wang · B. Liu · J. Liu · S. Wang 563

CLINICAL CORRESPONDENCES

Two concomitant arrhythmias in a transplanted heart

F. Frogner · A. Arya · C. Piorkowski · G. Hindricks 571

MRI and contrast enhanced MR angiography in a patient with right aortic arch and aberrant left subclavian artery

P. Fries · G. Schneider · A. Lindinger · H. Abdul-Khalik · H.-J. Schäfers · A. Bucker 573

ABSTRACTS

41. Jahrestagung der Deutschen Gesellschaft für Pädiatrische Kardiologie, 3. bis 6. Oktober 2009 in Weimar 579
