

## REVIEW

### **Cardiological evaluation after cerebral ischaemia · Consensus statement of the Working Group Heart and Brain of the German Cardiac Society—Cardiovascular Research (DGK) and the German Stroke Society (DSG)**

U. Laufs · U.C. Hoppe · S. Rosenkranz · P. Kirchhof · M. Böhm · H.-C. Diener · M. Endres · M. Grond · W. Hacke · T. Meinertz · E.B. Ringelstein · J. Röther · M. Dichgans 609

## ORIGINAL PAPERS

### **GRACE risk score as predictor of in-hospital mortality in patients with chest pain**

S. Stracke · O. Dörr · M.C. Heidt · D. Gündüz · C. Neuhof · M. Parahuleva · H. Tillmanns · A. Erdogan 627

### **Effect of protein A immunoabsorption on T cell activation in patients with inflammatory dilated cardiomyopathy**

D. Bulut · M. Scheeler · T. Wichmann · J. Börgel · T. Miebach · A. Mügge 633

### **Serial changes of minimal stent malapposition not detected by intravascular ultrasound: follow-up optical coherence tomography study**

W.H. Kim · B.K. Lee · S. Lee · J.-M. Shim · J.-S. Kim · B.-K. Kim · Y.-G. Ko · D. Choi · Y. Jang · M.-K. Hong 639

### **Tacrolimus-eluting carbon-coated stents versus sirolimus-eluting stents for prevention of symptom-driven clinical end points**

J.M. Siller-Matula · I. Tentzeris · B. Vogel · S. Schacherl · R. Jarai · A. Geppert · G. Unger · K. Huber 645

### **Time to rheology in acute myocardial infarction: inflammation and erythrocyte aggregation as a consequence and not necessarily as precursors of the disease**

A. Steinvil · S. Berliner · I. Shapira · O. Rogowski · D. Justo · J. George · A. Halkin · G. Keren · A. Finkelstein · S. Banai · Y. Arbel 651

### **Relationship between pulse transit time and blood pressure is impaired in patients with chronic heart failure**

D.R. Wagner · N. Roesch · P. Harpes · H. Körtke · P. Plumer · A. Saberlin · V. Chakoutio · D. Oundjede · C. Delagardelle · J. Beissel · G. Gilson · I. Kindermann · M. Böhm 657

### **Ivabradine in combination with beta-blocker therapy for the treatment of stable angina pectoris in every day clinical practice**

R. Koester · J. Kaehler · H. Ebel · G. Soeffker · K. Werdan · T. Meinertz 665

## LETTER TO THE EDITORS

### **Management of percutaneous self-expanding bioprosthesis migration**

G.P. Ussia · M. Barbanti · C. Tamburino 673

### **Intracardial dislocation of a cranio-peritoneal shunt in a 6-year-old boy**

P. Nordbeck · M. Beer · J. Wirbelauer · O. Ritter · F. Weidemann · G. Ertl · W.R. Bauer · T. Schweitzer 677
