<b>Neurobiological markers of antisocial behaviour.....</b>	<b>27</b>
O7 Cortisol and DHEA diurnal rhythm and stress reactivity in adolescents with Conduct Disorder <i>G. Fairchild, S. van Goozen, S. Stollery, J. Brown, J. Gardiner, J. Herbert, I. Goodyer (Cambridge, Cardiff, UK) .....</i>	<i>27</i>

O8	Cortisol reactivity in boys with attention-deficit/hyperactivity disorder and disruptive behaviour problems: the impact of callous unemotional traits <i>C. Stadler, A. Kröger, W. Clement, C. Freitag (Frankfurt, DE)</i> .....	28
O9	Biosocial interaction: HPA-axis functioning and social environment as predictors for antisocial behaviour <i>E. Platje, L.M.C. Nauta-Jansen, R. Vermeiren, Th. Doreleijers, P.A.C. van Lier, J.M. Koot, W. Meeus (Amsterdam, Leiden, NL)</i> .....	29
O10	Heart rate during stress predicts reoffending in delinquent male adolescents <i>M. de Vries-Bouw, A. Popma, L.M.C. Nauta-Jansen, P. van de Ven, Th. Doreleijers, R. Vermeiren (Amsterdam, Leiden, NL)</i> .....	30
O11	Low electrodermal fear conditioning predisposes to childhood aggression and adult crime <i>A. Raine (Philadelphia, US)</i> .....	31
<b>Risk assessment</b> .....		33
O12	Is there a need for a SVR-20 Junior? <i>D.P. Boer (Hamilton, NZ)</i> .....	33
O13	SAVRY risk and protective factors on recidivism by a forensic population in a child- and youth psychiatry residential facility in Antwerp, Flanders, Belgium <i>T. De Clippele, D. Deboutte, D. Van West (Antwerp, BE)</i> .....	33
O14	A new Dutch assessment instrument for juvenile delinquency <i>H.J.M. Spanjaard, C.E. van der Put, S.S. Polak, R.B. Bolt (Amsterdam, NL)</i> .....	34
O15	The significance of protective factors in the assessment of risk <i>C Lennox (Manchester, UK)</i> .....	35
O16	The impact of protective factors in desistance from violent reoffending in youth <i>H.P.B. Lodewijks (Zutphen, NL)</i> .....	36
<b>Psychopathy and delinquency</b> .....		38
O17	Community violence and severe aggressive behaviour in adolescents: the impact of comorbid callous unemotional traits <i>A. Kröger, J. Feifel, F. Poustka, C. Stadler (Frankfurt, DE)</i> .....	38

O18	Psychopathy, family violence and violent offending: a latent class approach <i>A. Voit, H. Singer, M. Kölch, F. Keller, K. Schmeck, J.M. Fegert, M. Schmid (Ulm, DE; Basel, CH)</i> .....	39
O19	Measuring self-reported callous-unemotional (CU) traits in adolescents of the general population: inventory for CU traits or CU scale of the YPI? <i>S. Pihet, M. Suter, P. Stephan (Lausanne, CH)</i> .....	40
O20	A comparison of psychopathic traits (YPI) and self-reported delinquency in a Swiss community sample and a sample recruited in youth welfare and juvenile justice institutions <i>C. Stadlin, S. Felber Appiagyei, T. Pérez, M. Koelch, J.M. Fegert, A. Di Gallo, K. Schmeck, M. Schmid on behalf of the MAZ Research Group</i> .....	41

## **Deutsches Symposium: Opfergerechte Täterarbeit** .....

O21-	Setting und Diagnostik / Risikomanagement DORM / Therapie	
O24	und Behandlung / Vernetzung und Transfer <i>M. Windler (Kalchrain, CH); A. Malär, M. Egli-Alge (Kalchrain, CH); M. Loher (Kalchrain, CH); M. Maguhn (Kalchrain, CH)</i> .....	42

## **The use of the MAYSI-2 in Switzerland and Germany** .....

O25	Prevalence and risk factors for suicidal ideation in a youth welfare sample in Switzerland <i>S. Schlanser, M. Kölch, M. Schmid, J.M. Fegert, K. Schmeck (Ulm, DE; Basel, CH)</i> .....	44
O26	The German version of the Massachusetts Youth Screening instrument-2 and its associations to delinquency and goal attainment <i>H. Singer, A. Prestel, J.M. Fegert, K. Schmeck, M. Schmid (Ulm, DE; Basel, CH)</i> .....	45
O27	Self-reported youth delinquency and psychopathology in a representative Swiss community sample <i>S. Felber Appiagyei, C. Stadlin, T. Pérez, K. Schmeck, A. Di Gallo, M. Schmid (Basel, CH; Freiburg, DE)</i> .....	46

## **Prevention of recidivism and psychiatric relapse among adolescents with serious and persistent antisocial behaviour ..48**

- O28 Quality of life in youth forensic psychiatry  
*Ch. van Nieuwenhuizen, I.L. Bongers, C.S. Barendregt*  
(Tilburg, Eindhoven, NL) .....48
- O29 Behavioural changes during admission in a youth forensic psychiatric hospital: a test of the Good lives model  
*I.L. Bongers, Ch. van Nieuwenhuizen* (Eindhoven, Tilburg, NL) .....49
- O30 The role of promotive factors in prevention of recidivism  
*C.S. Barendregt, I.L. Bongers, A.M. van der Laan,*  
*Ch. van Nieuwenhuizen* (Tilburg, Eindhoven, The Hague, NL) .....50
- O31 Maternal characteristics and dysfunctional family interactions as predictors of girls' disruptive behaviour  
*E. van der Molen, A.E. Hipwell, R. Vermeiren, R. Loeber*  
(Leiden, NL; Pittsburgh, US) .....51
- O32 Specific psychiatric assessment and treatment of juveniles detained in an Austrian pre-trial detention facility  
*B. Plattner, S. Bauer, M. Aebi, C. Bessler* (Zurich, CH; Vienna, AT) .....52

## **Family-based intervention programmes for adolescents with multi-problem behaviour.....53**

- O33 An overview of the treatment literature  
*T. van der Pol* (Leiden, NL) .....53
- O34 MultiDimensional Family Therapy: introduction  
*H. Rigter* (Rotterdam, NL) .....53
- O35 Adolescent drug users and court-ordered outpatient therapy: the Geneva experience  
*P. Nielsen* (Geneva, CH) .....54
- O36 From residential setting to community  
*K. Mos* (The Hague, NL) .....54

## **Trauma and mental health .....56**

- O37 Participation of psychiatric ill adolescents – what is participation, how can it be assessed and how is it related to forensic aspects?  
*M. Kölch* (Ulm, DE) .....56

- O38 The psychosocial conditions of children and adolescents living in Swiss youth welfare and juvenile justice institutions  
*S. Jäggi, D. Gutschner, J.M. Fegert, K. Schmeck, M. Schmid on behalf of the MAZ Research Group, Switzerland and Germany*.....57
- O39 Traumatic events and posttraumatic stress disorder in the youth welfare and juvenile justice system in Switzerland: prevalence and comorbidity  
*B. Breymaier, H. Singer, M. Schmid, J.M. Fegert, K. Schmeck on behalf of the MAZ Research Group, Switzerland and Germany* .....58
- O40 Subclasses of traumatic experiences and its association to mental health, social impairment and delinquency in institutionalised youths  
*H. Singer, F. Keller, M. Kölch, A. Prestel, J.M. Fegert, K. Schmeck, M. Schmid on behalf of the MAZ Research Group, Switzerland and Germany*.....59

**Workshop: Behandlungsprogramme forio am Beispiel der deliktorientierten Behandlung für Sexualstraftäter mit Lern- und geistigen Behinderungen** .....61

- W41 Behandlungsprogramme forio am Beispiel der deliktorientierten Behandlung für Sexualstraftäter mit Lern- und geistigen Behinderungen  
*M. Rutschmann, C. Krapf Fofana, S. Ferrara (Kalchrain, CH)* .....61

**Intervention and treatment**.....63

- O42 Efficacy of anger management training programme in a delinquent adolescent sample  
*Ö. Özbay, G. Erden (Çorum, Ankara, TR)* .....63
- O43 Working in the eye of the storm: addressing developmental trauma through collaborative working between mental health services and prison staff to meet needs and reduce risk  
*A. Rogers, P. Mitchell, S. Bailey (Manchester, UK)* .....64
- O44 Stimulating the debate on the approach of care and treatment of young female offenders  
*P. Casteur, E. Meert, R. Stegen, S. Stockman (Brussels, Leuven, Ypres, BE)* .....65

- O45 Aggression replacement training: using the Washington State model for quality assurance and transfer  
H.J.M. Spanjaard, S.S. Polak (Amsterdam, NL) .....66
- O46 An evaluation of a cognitive-behavioural programme for adolescents girls in residential youth centres: a specific look on anger and aggression  
N. Lanctot (Longueuil, CA) .....67

## **Trauma and juvenile delinquency .....68**

- O47 The effectiveness of a home-based early prevention program for children with ADHD and CD and their families  
M. Hilberger, T. Banaschewski, S. Bölte, L. Poustka, G. Ristow, B. Kentner-Figura (Mannheim, DE).....68
- O48 The effectiveness of an intervention to reduce posttraumatic stress symptoms among girls in closed juvenile institutions  
L.E.W. Leenarts, Th. Doreleijers, R.J.L. Lindauer, H.P.B. Lodewijks, R. Vermeiren (Duivendrecht, NL) .....69
- O49 Contribution of trauma and post-traumatic stress disorder for developing borderline personality disorder in detained girls  
A. Krabbendam, O. Collins, E. van der Molen, Th. Doreleijers, R. Vermeiren (Duivendrecht, NL) .....70
- O50 Trauma, PTSD symptoms and mental health problems among detained girls and boys  
P. Kerig (Duivendrecht, NL) .....71

## **Parental alienation disorder .....72**

- O51 Parental alienation: a new diagnosis for DSM-5 and ICD-11  
W. Bernet (Nashville, US) .....72
- O52 Judicial intervention for loss of a parent-child relationship  
B. Van Dieren (Leuven, BE) .....73
- O53 Psychological consequences of PAD-indoctrination for adult children of divorce and the effects of alienation on parents  
U. Kodjoe (Freiburg, DE) .....74

<b>Substance abuse and delinquency</b> .....	75
<b>O54:</b> Illicit drug and alcohol use and abuse in a cohort of Swiss youths and young adolescents from youth welfare and juvenile justice institutions <i>B. Bailey, N. Jenkel, M. Schmid, J.M. Fegert, K. Schmeck (Basel, CH; Ulm, DE)</i> .....	75
<b>O55:</b> Juvenile alcohol and drug use in Swiss youth welfare and juvenile justice institutions. Predictors for problematic consumption behaviour <i>N. Jenkel, B. Bailey, M. Schmid, J.M. Fegert, K. Schmeck (Basel, CH; Ulm, DE)</i> .....	76
<b>O56:</b> The JUST Project – a residential treatment programme for adolescents with alcohol and drug problems. Preliminary results after two years with respect to participants on parole <i>J. Nuetzel, R. Schepker (Ulm, Ravensburg, DE)</i> .....	77
<b>O57:</b> Social background, vulnerability and substance use: diagnostic tool <i>G. Hüsler (Fribourg, CH)</i> .....	78
<b>Colloque français</b> .....	80
<b>O58:</b> Victimes, violences et allégations: l'aliénation parentale <i>P. Bensussan (Versailles, FR)</i> .....	80
<b>O59:</b> Ordonnances d'expertise: les changements apportés par le nouveau Droit Pénal des Mineurs (nDPMIn) en matière de placement dans les établissements ouverts ou fermés <i>E. Francescotti, G. Braunschweig, C. Perler, M. Schmid, J.M. Fegert, K. Schmeck on behalf of the MAZ Research Group, Switzerland and Germany</i> .....	81
<b>O60:</b> Approches thérapeutiques intégratives et multidisciplinaires dans un établissement carcéral pour mineurs: l'exemple de la Clairière à Genève? <i>P. Heller (Geneva, CH)</i> .....	82
<b>O61:</b> Le mineur en détention préventive et sa famille <i>C. Perler, B. Gravier (Yverdon-les-Bains, Lausanne, CH)</i> .....	83

<b>Early life and development</b> .....	85
O62 How medicine and the law (legal system) can deal with the young delinquent? <i>M. Walter (Geneva, CH)</i> .....	85
O63 Suboptimal parenting as a predictor of disruptive behaviour trajectories in girls: the moderating effect of callous-unemotional features <i>L.M. Kroneman, D.A. Pardini, A.E. Hipwell, R. Loeber (Zutphen, NL; Pittsburgh, US)</i> .....	86
O64 Violation of the child's legal and human rights to family life in parental alienation cases <i>A.L. Hellblom Sjögren (Fagersta, SE)</i> .....	87
<b>Violence prevention: a nutritional approach</b> .....	88
K65 Violence prevention: a nutritional approach <i>A. Raine (Philadelphia, US)</i> .....	88
<b>Adolescents' mental disorders and violent behaviour</b> .....	89
K66 Adolescents' mental disorders and violent behaviour: a developmental perspective <i>T. Grisso (Worcester, US)</i> .....	89
K67 Adolescents' mental disorders and violent behaviour: a developmental prognosis <i>V. Dittmann (Basel, CH)</i> .....	89
<b>Neuroimaging in disruptive behaviour disorders</b> .....	91
O68 Decreased white matter concentration in boys with psychopathic tendencies <i>S. De Brito, E. McCrory, A. Mechelli, M. Wilke, A. Jones, S. Hodgins, E. Viding (London, UK; Tübingen, DE)</i> .....	91
O69 Affective information processing in adolescents with conduct disorder: neural and behavioural abnormalities <i>P. Sterzer, F. Euler, C. Stadler (Berlin, Frankfurt, DE)</i> .....	92

- O70 Structural and functional neuroimaging of childhood-onset and adolescence-onset forms of Conduct Disorder  
*G. Fairchild, L. Passamonti, G. Hurford, C. Hagan, S. van Goozen, E. von dem Hagen, I. Goodyer, A. Calder (Cambridge, Cardiff, UK).....93*
- O71 Fear conditioning and reward/punishment anticipation in persistent antisocial adolescents: preliminary results from an fMRI study  
*M. Cohn, A. Popma, W. van den Brink, D. Veltman, Th. Doreleijers (Duivendrecht, Amsterdam, NL).....94*

**Psychopathology, psychopathy and reoffending.....95**

- O72 The construct of juvenile psychopathy in restorative education unit adolescent populations: the further validation of a congeneric model  
*S. Houghton, C. Tan (Perth, AU; Singapore, SG) .....95*
- O73 Cognitive versus social cognitive abilities in antisocial adolescents: associations with proactive and reactive aggression  
*S.C.J. Huijbregts, M. Cima (Leiden, Tilburg, NL) .....96*
- O74 BARO: psychopathology and reoffending  
*C. Boonmann, L. van Domburgh, Th. Doreleijers (Duivendrecht, NL).....97*
- O75 Autism Spectrum symptoms in childhood arrestees: relation with reoffending  
*C. Geluk, L.M.C. Nauta-Jansen, L. van Domburgh, R. Vermeiren, Th. Doreleijers, C. Hartman (Duivendrecht, Leiden, Groningen, NL) .....98*

**Deutsches Symposium: Jugendforensische Versorgungskonzepte im deutschsprachigen Raum .....100**

- O76 Organisationsmodelle der Forensik in der Kinder- und Jugendpsychiatrie: Konzeption für den Maßregelvollzug bei Jugendlichen und Heranwachsenden gemeinsam mit der stationären psychiatrischen Versorgung dissozialer Jugendlicher  
*W. Weissbeck (Klingenmünster, DE) .....100*
- O77 Jugendforensik im Kontext einer Klinik für Kinder- und Jugendpsychiatrie in Deutschland  
*F. Burchard (Marsberg, DE) .....101*

O78	Therapiesetting und Verlaufsdaten der Massregelbehandlung Jugendlicher/Heranwachsender in Rostock <i>P. Keiper, A. Boysen, D. Schlaefke (Rostock, DE)</i> .....	101
O79	Jugendforensische Abteilung der Universitären Psychiatrischen Kliniken Basel <i>P. Tischer (Basel, CH)</i> .....	103
<b>Psychosocial and cultural aspects of delinquency</b> .....		104
O80	Psychosocial background in incarcerated adolescents from Austria, Turkey and former Yugoslavia <i>B. Plattner, S. Bauer, H. Steiner</i> <i>(Zurich, CH; Vienna, AT; Palo Alto, US)</i> .....	104
O81	Envelopment and self-development: implications for culture sensitive diagnosis and therapy <i>V.G. Kouratovsky (Rotterdam, NL)</i> .....	105
O82	Delinquent behaviour in youngsters from the Netherlands Antilles <i>I.L. Bongers, Ch. van Nieuwenhuizen (Eindhoven, Tilburg, NL)</i> .....	106
O83	Group-differences in juvenile offenders <i>T. Czuczor, S. Eschmann, D. Monteverde, T. Best, C. Bessler,</i> <i>H.C. Steinhausen (Zurich, CH)</i> .....	107
<b>Aspects of development and delinquency</b> .....		109
O84	Neurobiological correlates in basic conditions and after a stress task among adolescents showing proactive or reactive aggression <i>S. Wilson, D. Deboutte, D. van West (Wilrijk, BE)</i> .....	109
O85	Birth order and reported problem behaviours throughout development <i>T. Machado (Coimbra, PT)</i> .....	110
O86	Consenting to "rape"? The implications of criminal law for teenage sexual activity <i>J. Gooren (Leiden, NL)</i> .....	110
O87	Substance use and antisocial behaviour across adolescence: the role of low self-control <i>A. Fonseca, M. das Dores Formosinho (Coimbra, PT)</i> .....	111

O88	The social context of cannabis use among a sample of criminally involved youth <i>M. Simpson, J. Howard, J. Copeland (Sydney, AU)</i> .....	112
-----	--	-----

## **Juvenile sex offenders**.....113

O89	Current status of interventions with young sex offenders <i>M. Manetsch (Zurich, CH)</i> .....	113
O90	Sexual assaultive behaviour during childhood – a treatment evaluation study <i>A. König, K. Elsner (Duisburg, Viersen, DE)</i> .....	114
O91	Juvenile sex offenders: mental health and reoffending <i>L. 't Hart-Kerkhoffs*, R. Vermeiren, L. Jansen, Th. Doreleijers (Amsterdam, Leiden, Arnhem, NL)</i> .....	115
O92	Psychopathic traits in subgroups of juvenile sex offenders <i>C. Boonmann, L. Jansen, L. 't Hart-Kerkhoffs, Th. Doreleijers (Amsterdam, Arnhem, NL)</i> .....	116
O93	Developing a classification system for juvenile sexual offenders <i>M. Aebi, B. Plattner, C. Bessler (Zurich, CH)</i> .....	117

## **Gender, family and violence** .....119

O94	Enhancement of mother-child-interaction with the Ulm model for attachment based intervention with video-feedback <i>M. Pillhofer, U. Ziegenhain (Ulm, DE)</i> .....	119
O95	A comparison of gender specific self-report and social or educational worker's report on internalizing and externalizing behaviour problems of Swiss adolescents and young adults in youth welfare and juvenile justice institutions <i>B. Bailey, M. Schmid, J.M. Fegert, K. Schmeck on behalf of the MAZ Research Group, Switzerland and Germany</i> .....	119
O96	The influence of family dysfunction on the self-reflection surrounding the actions of juvenile delinquency <i>E. Francescotti, G. Braunschweig, C. Perler, M. Schmid, J.M. Fegert, K. Schmeck on behalf of the MAZ Research Group, Switzerland and Germany</i> .....	121

- O97 Violence prevention at the cantonal police department in Basel, Switzerland  
*T. Vollenweider-Meier on behalf of the "Specific prevention" team, Police Basel-Stadt*.....122
- O98 Male and female psychopathy and self-reported youth delinquency in a Swiss community sample  
*M. Schmid, C. Stadlin, S. Felber Appiagyei, T. Pérez, A. Di Gallo, K. Schmeck (Basel, CH; Freiburg, DE)* .....123

**Integrative intervention** .....124

- O99 From integration to differentiation – concepts and results of adolescent forensic psychiatry planning in Berlin, 2004-2010  
*O. Bilke (Berlin, DE)* .....124
- O100 Programme Integrity: the heel of Achilles when working "evidence-based"  
*H.J.M. Spanjaard, S.S. Polak (Amsterdam, NL)* .....125
- O101 Addition of psychiatric disorders and family focused treatment to a residential facility for juvenile delinquents  
*R. Breuk (Zutphen, NL)* .....126
- O102 Multisystemic therapy for adolescent conduct disorders in the German-speaking world. Implementation and first results  
*B. Rhiner (Weinfelden, CH)* .....127

**Workshop: Angst in der Arbeit mit jungen Gewalttätern** .....128

- W103/ Angst in der beruflichen Arbeit mit jungen Tätern  
 W120 *A. Denz, P. Ostermayer (Basel, Niederdorf, CH)* .....128

**Multiethnic aspects of delinquency**.....129

- O104 Childhood cruelty and antisocial behaviour across adolescence  
*A. Fonseca (Coimbra, PT)* .....129
- O105 Problem behaviour across development: a longitudinal study of Portuguese students  
*T. Machado (Coimbra, PT)* .....130
- O106 Juvenile justice in Russia: development and problems  
*E. Dozortseva (Moscow, RU)* .....131

O107	Individual and environmental risk factors for reoffending in children from ethnic minorities: childhood offenders from Moroccan origin in the city of Amsterdam <i>C.H. Paalman, L. van Domburgh, Th. Doreleijers</i> <i>(Duivendrecht, NL)</i> .....	132
O108	Adolescents and child forensic psychiatry and psychotherapy in Serbia <i>O. Vidojevic (Belgrade, RS)</i> .....	133
<b>From prevention to intervention</b> .....		134
O109	Opening doors – a participatory approach to increasing access to and participation in youth friendly harm reduction <i>J. Howard (Sydney, AU)</i> .....	134
O110	A new school-based prevention programme for the early onset life course persistent offender <i>S. Houghton (Perth, AU)</i> .....	135
O111	Problem youngsters or youngsters with problems: evidence based care for violent youth in Europe <i>J. De Meulenaere, D. Deboutte, D. van West, Th. Doreleijers, R. Vermeiren, G. Bronsard, R. Barbe for the Evens Foundation</i> .....	136
O112	Towards a more evidence-based treatment of antisocial youth in Sweden <i>P. Kyhle Westermarck, M. Hultman, C. Kaunitz (Stockholm, SE)</i> .....	137

**Treatment of juvenile offenders in German forensic hospitals**.....139

O113	Effects of the kind of entry into an open adolescent drug abuse treatment programme in Germany <i>O. Reis, F. Haessler (Rostock, DE)</i> .....	139
O114	Effects of treatment for juvenile offenders – data from a German psychiatric hospital <i>F. Haessler, P. Keiper, D. Schlaefke, O. Reis (Rostock, DE)</i> .....	140
O115	Treatment outcomes of addicted delinquents in different age groups <i>F. Kupke, D. Schlaefke (Rostock, DE)</i> .....	140

- O116 Does education in forensic treatment enhance predictions of criminal re-offence?  
*A. Wettermann, D. Schlaefke (Rostock, DE)*.....141

**Neurofeedback as intervention in youth with ADHD problems and comorbid disorders in the forensic mental healthcare** .....143

- O117 Neurofeedback as an additional intervention in forensic mental health care  
*A.C. Berghout, M. Bink, Ch. van Nieuwenhuizen (Eindhoven, Tilburg, NL)* .....143

- O118 Feasibility of neurofeedback in youth with ADHD-problems and comorbid disorders  
*E.A.W. de Ruijter, M. Bink, I.L. Bongers, Ch. van Nieuwenhuizen (Eindhoven, Tilburg, NL)* .....144

- O119 Effectiveness of Neurofeedback in youth with ADHD-problems and comorbid disorders  
*M. Bink, I.L. Bongers, Ch. van Nieuwenhuizen (Tilburg, Eindhoven, NL)* .....145

**Convegno italiano** .....147

- O121 Free memory and guided memory: effects on the interaction on two different samples  
*T. Magro, M. Zanolli (Padua, IT)* .....147

- O122 National guidelines in minor's witnessing  
*U. Sabatello, G.B. Camerini, M. Zanolli (Rome, Padua, IT)*.....148

- O123 Memory assessment with aIAT: its use in the forensic context and future applications with minors  
*S. Agosta, S. Codognotto, F. Gnoato, G. Sartori, T. Magro (Padua, IT)* ..148

- O124 The psychopathic traits measured in a group of children and adolescents placed in youth welfare institutions and juvenile justice facilities in Switzerland  
*B. Zampedri, G. Braunschweig, M. Schmid, J.M. Fegert, K. Schmeck on behalf of the MAZ Research Group, Switzerland and Germany* .....149

<b>Outcome assessment</b> .....	151
K125 Measuring outcome is more than using an instrument <i>R. Vermeiren (Amsterdam, NL)</i> .....	151
<b>Keynote lectures</b> .....	152
K126 Psychiatric trauma and juvenile delinquency <i>H. Steiner (Stanford, US)</i> .....	152
K127 Multisystemic treatment of violent and antisocial behaviour in adolescents <i>T. Ogden (Oslo, NO)</i> .....	153
<b>Mental health screening in juvenile justice with MAYSI-2: a multi-national perspective</b> .....	154
O128 The process of mental health screening with MAYSI-2 in Turkey <i>S. Sismanlar (Kocaeli, TR)</i> .....	154
O129 The use of the MAYSI-2 in the three linguistic regions of Switzerland within the assessment of young people during penal or civil placement measures <i>G. Braunschweig, E. Francescotti, M. Schmid, J.M. Fegert, K. Schmeck MAZ Research Group from the Child and Adolescent Psychiatric Clinic Basel, Switzerland</i> .....	155
O130 MAYSI-2 “implementation” in Belgium: good intentions are not enough <i>O. Colins (Oegstgeest, NL)</i> .....	156
O131 Suicide and self-destructive acts in juvenile prisons: an interinstitutional research <i>U. Sabatello, N. Fedeli, L. Cirigliano (Rome, IT)</i> .....	157
O132 Mental health screening and assessment in antisocial youth in Spain: a comparison between the MACI and the MAYSI-2 <i>C. Moreno-Rubio, A. Andres-Pueyo (Barcelona, ES)</i> .....	158
O133 Mental health screening with the MAYSI-2 in adolescents in detention in the Netherlands <i>P. Vahl, O. Colins, M. Markus, R. Vermeiren (Oegstgeest, NL)</i> .....	159

**Assessment of immigrants in forensic populations.....160**

- O134 Psychopathology and intellectual functioning of Dutch Antillean immigrants in contact with the law  
*C. Boonmann, L. van Domburgh, Th. Doreleijers (Duivendrecht, NL)....160*
- O135 Screening and assessment of externalizing problems in Moroccan immigrant youth in the Netherlands  
*M. Adriaanse, L. van Domburgh, W. Veling, Th. Doreleijers (Duivendrecht, NL) .....161*
- O136 Influence of acculturation patterns on externalizing problems in Moroccan immigrant youth in the Netherlands  
*M.B.A. Niemantsverdriet, M. Adriaanse, L. van Domburgh, Th. Doreleijers (Duivendrecht, NL) .....162*
- O137 How to teach forensic assessment in immigrant youth – do’s and don’ts  
*R. Schepker (Ravensburg, DE) .....163*

**Intervention and treatment of behavioural problems.....165**

- O138 A training tool to assist in increasing the capacity of those working with young cannabis users to engage and enhance motivation for change  
*J. Howard (Sydney, AU) .....165*
- O139 Effectiveness of parent training programmes in families with low socioeconomic status: a meta-analysis  
*P.H.O. Leijten, M.A.J. Raaijmakers, B. Orobio de Castro, W. Matthys (Utrecht, NL) .....165*
- O140 Effects of an intensive behavioural treatment approach for children with disruptive behaviour disorders  
*C. Stadler, D. Grasmann (Frankfurt, DE) .....166*
- O141 Culturally sensitive offer of PMTO for Moroccan immigrants with children with behavioural problems  
*B. Hallich, L. van Domburgh, Th. Doreleijers (Duivendrecht, NL).....167*
- O142 Parents as partners in forensic care in the Netherlands  
*M. Dorleijn, M. Slaats on behalf of the Werkgroep Forensische Zorg Balans NVA.....168*
