

REVIEW

**ST-segment resolution and prognosis after facilitated versus primary percutaneous coronary intervention in acute myocardial infarction: a meta-analysis**

I. Eitel · A. Franke · G. Schuler · H. Thiele 1

ORIGINAL PAPERS

**Prognostic value of minimal blood flow restoration in patients with acute myocardial infarction after reperfusion therapy**

G. Ndrepepa · D. Keta · S. Schulz · R.A. Byrne · J. Mehilli · J. Pache · M. Seyfarth · A. Schömig · A. Kastrati 13

**Diagnostic performance of magnetic resonance first pass perfusion imaging is equally potent in female compared to male patients with coronary artery disease**

N. Merkle · J. Wöhrle · T. Nusser · O. Grebe · J. Spiess · J. Torzewski · V. Hombach 21

**Benefits and limitations of cardiovascular pre-competition screening in international football**

T. Thünenkötter · C. Schmied · J. Dvorak · W. Kindermann 29

**Prevention of inappropriate ICD shocks in patients with Brugada syndrome**

C. Veltmann · J. Kuschyk · R. Schimpf · F. Streitner · N. Schoene · M. Borggrefe · C. Wolpert 37

**Comparative study of clinical characteristics between Chinese Han and German Caucasian patients with coronary heart disease**

Y. Zheng · W. Ma · Y. Zeng · J. Liu · S. Ye · S. Chen · L. Lan · R. Erbel · Q. Liu 45

CLINICAL CORRESPONDENCES

**Multimodal visualization of a retrocardial bronchial artery aneurysm with rare origin from the distal descending aorta**

L. Kamper · J. Smettan · N. Abanador-Kamper · W. Piroth · G. Haltern · P. Haage 51

**Reduction in ECG abnormalities and improvement of regional left ventricular function in a patient with Fabry's disease during enzyme-replacement therapy**

C. Prinz · M. Farr · D. Hering · D. Horstkotte · L. Faber 53

**Left atrial wall dissection, mitral valve prosthesis dehiscence and pericardial hematoma: complex findings after successful cardiac resuscitation**

C. Mayer · C. Frank · D. Frank · U. Tochtermann · C. Rehnitz · L. Grenacher · S.E. Hardt · H.A. Katus · D. Mereles 57

**Leukocytoclastic vasculitis and myocardial infarction as presenting manifestations of infective endocarditis: a case report**

J. Pöss · H.-J. Schäfers · M. Herrmann · L. von Müller · M. Böhm · H. Kilter 59
