

REVIEW

Assessment of left atrial volume: a focus on echocardiographic methods and clinical implications

C.W. Khoo · S. Krishnamoorthy · H.S. Lim · G.Y.H. Lip 97

ORIGINAL PAPERS

Adaptive servoventilation improves cardiac function and respiratory stability

O. Oldenburg · T. Bitter · R. Lehmann · S. Korte · Z. Dimitriadis · L. Faber · A. Schmidt · N. Westerheide · D. Horstkotte 107

Time between first symptoms and diagnosis in patients with acute pulmonary embolism: are patients with recurrent episodes diagnosed earlier?

T.M. Berghaus · W. von Scheidt · M. Schwaiblmair 117

Ivabradine for the treatment of stable angina pectoris in octogenarians

R. Koester · J. Kaehler · T. Meinertz 121

Functional effects of β_1 -adrenoceptor polymorphisms on the hemodynamic response to dobutamine with and without β -blocker administration

M. Kindermann · U. Seeland · P. Ruhnke · M. Böhm · C. Maack 129

Drug-eluting versus bare-metal stents in ST-segment elevation myocardial infarction: a mortality analysis from the EUROTRANSFER Registry

A. Dziewierz · Z. Siudak · T. Rakowski · R. Birkemeyer · W. Mielecki · P. Ranosz · J.S. Dubiel · D. Dudek 139

Rosuvastatin induces apoptosis in $CD4^+CD28^{null}$ T cells in patients with acute coronary syndromes

A. Link · S. Selejan · L. Hewera · F. Walter · G. Nickenig · M. Böhm 147

Impact of oxygen uptake efficiency slope as a marker of cardiorespiratory reserve on response to cardiac resynchronization therapy

T. Berger · R.H. Zwick · M. Stuehlinger · W. Dichtl · G. Poelzl · M. Edlinger · O. Pachinger · F. Hintringer 159

New-onset versus chronic atrial fibrillation in acute myocardial infarction: differences in short- and long-term follow-up

P. Maagh · T. Butz · I. Wickenbrock · M.W. Prull · G. Plehn · H.-J. Trappe · A. Meissner 167

LETTERS TO THE EDITORS

Severe traumatic tricuspid insufficiency detected 10 years after blunt chest trauma

M.Y. Emmert · R. Pretre · S. Suendermann · B. Weber · D.A. Bettex · S.P. Hoerstrup · V. Falk 177

Apparent short PR interval during atrial tachycardia: what is the mechanism?

Y. Huo · P. Sommer · S. Richter · A. Arya 181

Galectin-3-independent prognosis in heart failure

F.J. Carrasco Sánchez 183

ACKNOWLEDGEMENT TO THE REFEREES 185
