A simultaneous English language translation of this journal is available from Pleiades Publishing, Ltd.
Distributed worldwide by Springer. *Eurasian Soil Science* ISSN 1064-2293.

Genesis and Geography of Soils

Diagnostics of Solonchets according to the Clay Profile Differentiation

A. V. Novikova and P. G. Kovalivnich 841

Zonal, Provincial, Lithological, and Geomorphic Features of Soil Salinization
in the Southern Federal Okrug of Russia

A. F. Novikova, E. I. Pankova, and A. A. Kontoboitseva 848

Soil Chemistry

Chemical Aspects of Uranium Behavior in Soils: A Review

Yu. N. Vodyanitskii 862

Fractional Composition of Nickel, Copper, Zinc, and Lead Compounds
in Soils Polluted by Oxides and Soluble Metal Salts

D. V. Ladonin and M. M. Karpukhin 874

Soil Biology

Specific Features of the Dynamics of Epiphytic and Soil Yeast Communities
in the Thickets of Indian Balsam on Mucky Gley Soil

A. M. Glushakova, A. V. Kachalkin, and I. Yu. Chernov 886

Effect of Soil Invertebrates on the Formation of Humic Substances
under Laboratory Conditions

J. Frouz, X. Li, A. Brune, V. Pizl, and E. V. Abakumov 893

Mineralogy and Micromorphology of Soils

The Impact of Long-Term Irrigation on the Degree of Aggregation and the Mineralogical
Composition of the Clay Fraction in Dark Chestnut Soils of the Transvolga Region

N. P. Chizhikova, V. A. Baranovskaya, and N. B. Khitrov 897

Soil Erosion

Erodibility of Model Soils with Different Densities

*G. A. Larionov, O. G. Bushueva, N. G. Dobrovolskaya,
Z. P. Kiryukhina, and L. F. Litvin* 914

Degradation, Rehabilitation, and Conservation of Soils

The Problem of Fire Control on Drained Peatlands and Its Solution

F. R. Zaidel'man 919

Soil Reclamation

Changes in the Soils of Solonetzic Associations in 30 Years after Their Reclamation with the Use of Moldboard Plowing, Deep Tillage with a Three-Tier Plow, and Deep Rotary Tillage

*V. P. Kalinichenko, V. K. Sharshak, O. S. Bezuglova, E. P. Ladan, E. D. Genev,
V. V. Illarionov, V. E. Zinchenko, N. A. Morkovskoi, V. V. Chernenko, and L. P. Il'ina*

927

Book Reviews

Soil-Reclamation Studies of Salt-Affected and Solonetzic Soils in Ukraine

I. N. Lyubimova

939

Soil Microorganisms and the Greenhouse Effect

I. I. Sudnitsyn

940

Chronicle

The All-Russia Conference on the Genesis, Geography, and Classification of Soils and the Evaluation of Soil Resources Devoted to the 150th Anniversary of N.M. Sibirtsev (The VIII Sibirtsev Readings)

L. A. Varfolomeev and I. V. Ivanov

942

International Conference on Soil Classification and Reclamation of Degraded Lands in Arid Environments

A. A. Kontoboitseva

946

International Conference on the Ecological Normalization, Certification, and Passportization of Soils

S. A. Shoba, O. A. Makarov, and S. A. Kulachkova

950

Jubilees

Vladimir Fedorovich Val'kov is 80

952

Valerii Ivanovich Kiryushin is 70
