Vol. 44, No. 10, 2011

A simultaneous English language translation of this journal is available from Pleiades Publishing, Ltd.
Distributed worldwide by Springer. *Eurasian Soil Science* ISSN 1064-2293.

Genesis and Geography of Soils

- Soil Evolution on the Low Terraces of Lake Nero
A. L. Alexandrovskii 1055
-

Soil Chemistry

- Equilibrium Composition and Properties of Soil Solutions
V. N. Shoba and A. A. Sen'kov 1068
- Postagrogenic Transformation of Organic Matter in Soddy-Podzolic Soils
I. O. Kechaikina, A. G. Ryumin, and S. N. Chukov 1077
- Changes in the Elemental Composition of Lignin during Humification
N. N. Bambalov 1090
-

Soil Physics

- Changes in the Physical Properties of Typical Chernozems of Kursk Oblast
under the Conditions of a Long-Term Stationary Experiment
*E. V. Shein, V. I. Lazarev, A. Yu. Aidiev, T. Sakunkonchak, M. Ya. Kuznetsov,
E. Yu. Milanovskii, and D. D. Khaidapova* 1097
- Morphometric Profiles of Pore Space in Loamy Soils of the Forest
and Steppe Zones of European Russia
E. B. Skvortsova and V. A. Rozhkov 1104
-

Soil Biology

- Estimation of the Effects of Earthworms and Initial Substrates
on the Bacterial Community in Vermicomposts
A. V. Yakushev, I. A. Bubnov, and A. M. Semenov 1117
- Spatial Variability in the Carbon of Microbial Biomass and Microbial Respiration
in Soils of the South of Moscow Oblast
E. G. Gavrilenko, E. A. Susyan, N. D. Anan'eva, and O. A. Makarov 1125
- Amino Acid Pool of a Typical Chernozem of Moldova
N. I. Frunze 1139
-

Agricultural Chemistry and Soil Reclamation

- The Influence of Crop Residues with Different C : N Ratios
on the N₂O Emission from a Loamy Sand Soddy-Podzolic Soil
E. Ya. Rizhiya, L. V. Boitsova, N. P. Buchkina, and G. G. Panova 1144
- Modern Tendencies of Changes in the Properties of Virgin and Post-Irrigational
Soils of Solonchic Complexes on the Privolzhskaya Ridge
I. N. Lyubimova, V. Ya. Motuzov, and A. G. Bondarev 1152
-

History of Science

Contribution of Subcommittee a (Salt Affected Soils) to the Achievements
in the Investigation and Management of Saline and Alkali Soils

M. Redly[†]

1161

Book Reviews

Thesaurus of the Terms and Characteristics Used in the Investigations of Biological Cycles

L. O. Karpachevskii

1170
