### Soil Biology

Dynamics of Zoomicrobial Complexes upon Decomposition of Plant Litter in Spruce Forests of the Southern Taiga

*A. A. Rakhleeva, T. A. Semenova, B. R. Striganova, and V. A. Terekhova*

38

Post-Fire Transformation of the Microbial Complexes in Soils of Larch Forests in the Lower Angara River Region

*A. V. Bogorodskaya, G. A. Ivanova, and P. A. Tarasov*

49

---

### Mineralogy and Micromorphology of Soils

The Role of Soil Biota in the Weathering of Minerals: A Review of Literature

*T. A. Sokolova*

56

Biogenic and Chemogenic Calcium Accumulations in Mollisols Developed from Loess in Argentina Pampas

*A. M. Kuznetsova, O. S. Khokhlova, and M. L. Osterrieth*

73

---

### Agricultural Chemistry and Soil Fertility

Experimentally Substantiated Equations of the Interrelations between the Agrochemical Characteristics of Tundra Soils

*V. D. Vasil'evskaya<sup>†</sup>, V. Ya. Grigor'ev, E. Yu. Pogožhev, and E. A. Pogožheva*

81

The Influence of Different Land Management Practices on the Transformation of Humic Acids in Heavy Loamy Soddy-Podzolic Soils of the Cis-Urals Region

*N. E. Zavyalova and V. A. Konchin*

92

**The Effect of Long-Term Fertilizer Application on the Group and Fractional Composition of Humus in a Soddy-Podzolic Light Loamy Soil**

*V. V. Lapa, T. M. Seraya, E. N. Bogatyreva, and O. M. Biryukova*
