## Genesis and Geogaphy of Soils

Quantification of the Areas of Saline and Solonetzic Soils in the Ural Federal Region  
of the Russian Federation

*G. I. Chernousenko, N. V. Kalinina, N. B. Khitrov, E. I. Pankova, D. I. Rukhovich,  
I. A. Yamnova, and A. F. Novikova*

367

Soil Formation in the Quarries for Limestone and Clay Production in the Ukhta Region

*E. V. Abakumov, E. I. Maksimova, A. V. Lagoda, and E. M. Koptseva*

380

---

## Soil Chemistry

X-Ray Radiometric Determination of Lanthanides (Praseodymium, Neodymium,  
and Samarium) in Soils

*A. T. Savichev and Yu. N. Vodyanitskii*

386

Use of Sodium Polytungstate in the Granulo-Densimetric Fractionation of Soil Material

*E. G. Morgun and M. I. Makarov*

394

---

## Soil Physics

Thermal Analysis of Organic Matter in Cryogenic Soils (Central Siberian Plateau)

*O. A. Shapchenkova, A. A. Aniskina, and S. R. Loskutov*

399

Mathematical Simulation and Calculation of the Soil Compaction under Dynamic Loads

*D. I. Zolotarevskaya*

407

---

## Soil Biology

Extremophilic and Extremotolerant Actinomycetes in Different Soil Types

*G. M. Zenova, N. A. Manucharova, and D. G. Zvyagintsev*

417

The Microbial Biomass and Its Activity and Structure in the Soils  
of Old Forests in the European Russia

*E. V. Stolnikova, N. D. Ananyeva, and O. V. Chernova*

437

---

## Degradation, Rehabilitation, and Conservation of Soils

Remediation of Oil-Contaminated Soil Using the CLEANSOIL Technology

*A. V. Zakharchenko, Yu. V. Korzhov, E. D. Lapshina, M. G. Kul'kov,  
D. M. Yarkov, and D. I. Khoroshev*

453

---

## Discussions

Comments on Soil Memory and Paleo-Environmental Reconstruction of Soil Evolution

*Dan Yaalon*

462

Soil Memory and Environmental Reconstructions

*V. O. Targulian and S. V. Goryachkin*

464

---

## Book Reviews

The Influence of Soil on Society

*I. I. Sudnitsin*

466

The Economic Assessment and Certification of Soils

*I. I. Sudnitsin*

468

---

---
