

CONTENTS

Ecosystem Health and Recovery of the Bay of Quinte, Lake Ontario

- Editorial** 1
M. Munawar
- Long-term ecosystem studies in the Bay of Quinte, Lake Ontario, 1972–2008: A prospectus** 3
C. K. Minns, M. Munawar, M. A. Koops, and E. S. Millard (Canada)
- Temporal trends and spatial patterns in the temperature and oxygen regimes in the Bay of Quinte, Lake Ontario, 1972–2008** 9
C. K. Minns, J. E. Moore, S. E. Doka, and M. A. St. John (Canada)
- The relative importance of autotrophic and heterotrophic microbial communities in the planktonic food web of the Bay of Quinte, Lake Ontario 2000–2007** 21
M. Munawar, M. Fitzpatrick, H. Niblock, and J. Lorimer (Canada)
- The phytoplankton of the Bay of Quinte, 1972–2008: Point-source phosphorus loading control, dreissenid mussel establishment, and a proposed community reference** 33
K. H. Nicholls and E. C. Carney (Canada)
- Changes in zooplankton biomass in the Bay of Quinte with the arrival of the mussels, *Dreissena polymorpha* and *D. rostriformis bugensis*, and the predatory cladoceran, *Cercopagis pengoi*: 1975 to 2008** 44
K. L. Bowen and O. E. Johannsson (Canada)
- Distribution and movement of Bay of Quinte Walleye in relation to temperature, prey availability and Dreissenid colonization** 56
J. N. Bowlby and J. A. Hoyle (Canada)
- Larval Lake Whitefish abundance, diet and growth and their zooplankton prey abundance during a period of ecosystem change on the Bay of Quinte, Lake Ontario** 66
J. A. Hoyle, O. E. Johannsson, and K. L. Bowen (Canada)
- Fish community indices of ecosystem health: How does the Bay of Quinte compare to other coastal sites in Lake Ontario?** 75
C. M. Brousseau, R. G. Randall, J. A. Hoyle and C. K. Minns (Canada)

(Contents continued)

- A modeling assessment of contaminant fate in the Bay of Quinte, Lake Ontario: Part 1. Metals** 85
N. Gandhi, M. L. Diamond, R. Razavi, S. P. Bhavsar, and E. M. Hodge (Canada)
- Applying a regional coastal wetland monitoring framework to refine and report on wildlife and habitat delisting criteria in the Bay of Quinte Area of Concern** 94
D. Macecek and G. P. Grabas (Canada)
- A comparison of approaches for integrated management in coastal marine areas of Canada with the historical approach used in the Great Lakes (Bay of Quinte)** 104
R. G. Randall, M. A. Koops, and C. K. Minns (Canada)
