

production

- 14 Biosecurity Principles For Sustainable Production Using SPF Shrimp
Steve M. Arce; Shaun M. Moss, Ph.D.; Donald V. Lightner, Ph.D.
- 17 Do Probiotics Work In Aquaculture?
Elisabeth Mayer, M.S.; Dr. Gonçalo A. Santos; Dr. Pedro Encarnação
- 20 Reactions Between Pond Bottom Soil, Water
Claude E. Boyd, Ph.D.; Li Li
- 24 Establishing Nitrifying Bacteria In Super-Intensive Biofloc Shrimp Production
Clete A. Otoshi; Neil Rodriguez; Shaun M. Moss, Ph.D.
- 28 Waddell Mariculture Center Continues Research On Biofloc-Based Shrimp Culture
Edward DuRant, Jason Haveman, Jeffrey Brunson, Dr. John Leffler
- 32 *Spirulina* Meal, Feeding Attractant Spare Fishmeal In White Shrimp Diets
Marcelo V. C. Sá, Ph.D.; Alberto J. P. Nunes, Ph.D.; José Fernandes Silva-Neto, M.S.; Hassan Sabry-Neto, M.S.
- 36 Ring Tests Compare PCR Results From Diagnostic Laboratories
Carlos R. Pantoja, Ph.D.; Solangel A. Navarro; Donald V. Lightner, Ph.D.
- 38 Disease Risk Evaluation – Effective Tool For Minimizing Aquaculture Losses
Victoria Alday-Sanz, DVM, M.S., Ph.D.
- 44 Statistical Modeling Of Field Data Can Aid Shrimp Growout Operations
João L. Rocha, Ph.D.; Ana C. Guerrelhas; Ana P. Teixeira; Flávio Lucas; Sara Tonerzer
- 48 Aquaculture In Brazil – Domestic Markets Rise As Industry Looks To Future
Itamar de Paiva Rocha, Fernando Kubitza, João Campos, Sergio Winckler da Costa

marketplace

- 54 Retailing Farmed Fish In Southern Europe – Supermarkets Lead Other Seafood Retailers
José Fernández Polanco, Ph.D.; Ignacio Rodríguez del Bosque, Ph.D.; Juan A. Trespalacios, Ph.D.
- 56 Defeating A Modern Myth To Make Safe, Affordable, Abundant Food A Globally Reality
Jeff Simmons
- 60 Off-Flavors In Aquacultured Products – Part I: Geosmin, 2-Methylisoborneol
George J. Flick, Jr., Ph.D.
- 62 U.S. Shrimp Imports Seasonally Slow, Production Delayed? Salmon From Chile Resuming, But Overall Imports Down Tilapia Imports Down, Led By Dip In Frozen Fillets Channel Catfish Imports Limited, *Pangasius* Up
Paul Brown, Jr.; Janice Brown, Angel Rubio

innovation

- 66 Tilapia Production Using Biofloc Technology – Saving Water, Waste Recycling Improves Economics
Dr. Yoram Avnimelech
- 69 International Coalition Breaks Cobia Fingerling Production Bottleneck
Michael H. Schwarz, Ph.D.; Brendan C. Delbos
- 71 Alphavirus Replicon Particles Potential Method For WSSV Vaccination Of White Shrimp
J. Dustin Loy, DVM; Duan S. Loy, DVM
- 73 Red Hogweed Fights WSSV, Promotes Growth In Tiger Shrimp
Dr. Sambhu Chithambaran, Dr. Sherly David
- 75 New Procedure Controls TSV In White Shrimp
Carlos A. Ching, Chalor Limsurwan, Ph.D.
- 77 Studies Find Botanical Extracts Improve Productivity Of Shrimp And *Pangasius*
Peter Coutteau, Ph.D.; Alexander van Halteren; Sam Ceulemans
- 80 Extruder Design Changes Increase Production Capacity For Small-Diameter Feeds
Joseph P. Kearns; Addison L. Lawrence, Ph.D.
- 82 Mushroom Feed Additive Stabilizes Lipid, Color Of Yellowtail Meat
Huynh Nguyen Duy Bao, Ph.D.; Toshiaki Ohshima, Ph.D.
