

Journal of Applied Aquaculture

- 103 Use of Underground Brackish Water for Reproduction and Larviculture of Rainbow Trout, *Oncorhynchus mykiss*
M. Mohammadi, H. Sarsangi, M. Askari, A. Bitaraf, N. Mashaii, F. Rajabipour, and M. Alizadeh
- 112 Effects of Dietary Carbohydrate Source and Level on Growth, Feed Utilization, and Body Composition of the Humpback Grouper, *Cromileptes altivelis* (Valenciennes)
Rossita Shapawi, Saleem Mustafa, and Wing-Keong Ng
- 122 Effect of Dietary Protein Level, Stocking Density, and Dietary Pantothenic Acid Supplementation Rate on Performance and Blood Components of Nile Tilapia *Oreochromis niloticus*
M. S. Ayyat, H. I. El-Marakby, and Safaa M. Sharaf
- 136 Effect of Phosphatidylcholine and Beta-Carotene Supplementation on Growth and Immune Response of Nile Tilapia, *Oreochromis niloticus*, in Cool Water
Abmed Mustafa, Laura Randolph, and Shree Dhawale
- 147 Effect of Stock Density and Ploidy in Jundia, *Rhamdia quelen*, Larvae Performance
Hirla Fukushima, Jhon Edison Jimenez, Marcos Weingartner, and Evoy Zaniboni-Filho
- 157 Integrated Fish Farming for Nutritional Security in Eastern Himalayas, India
B. P. Bhatt, K. M. Bujarbaruah, K. Vinod, and M. Karunakaran
- 166 Effects of Animal Proteins in Practical Diets on Growth and Economic Performance of Climbing Perch, *Anabas testudineus* (Bloch)
M. A. Kader, M. Bulbul, G. U. Ahmed, M. S. Hossain, M. A. Hossain, and S. Koshio
- 177 Physiological and Biochemical Responses of Nile Tilapia (*Oreochromis niloticus*) Exposed to Aqueous Extracts of Neem (*Azadirachta indica*)
Elijah Oyoo-Okoth, Charles C. Ngugi, and Victoria Chepkirui-Boit
- 187 Tests of the Ability of Five Disinfectants to Kill New Zealand Mud Snails
Randall W. Oplinger and Eric Wagner
