Genesis and Geography of Soils

Soils of Cryogenic Subarid Steppe Landscapes in the Terekhol Intermontane Depression of the Sangilen Upland

M. A. Bronnikova, I. V. Turova, E. P. Kuznetsova, D. N. Kozlov, and O. S. Khokhlova 589

Upper Permian Paleosols Developed from Limestone in the Middle Reaches of the Volga River: Morphology and Genesis

S. A. Inozemtsev, S. V. Naugolnykh, and E. Yu. Yakimenko 604

Soil Chemistry

Effect of Organic Matter on the Parameters of the Selective Sorption of Cobalt and Zinc by Soils and Their Clay Fractions

V. S. Anisimov, I. V. Kochetkov, S. V. Kruglov[†], and R. M. Aleksakhin 618

Identification of Labile and Stable Pools of Organic Matter in an Agrogray Soil

A. A. Larionova, B. N. Zolotareva, I. V. Yevdokimov, S. S. Bykhovets, Ya. V. Kuzyakov, and F. Buegger 628

Variation in the Acid–Base Parameters of Automorphic Loamy Soils in the Taiga and Tundra Zones of the Komi Republic

E. V. Shamrikova, V. G. Kazakov, and T. A. Sokolova 641

The Exchangeable Fraction of Selectively Sorbed ¹³⁷Cs in Soils and Natural Sorbents as a Function of the K⁺ and NH₄⁺ Concentrations

I. A. Stepina and V. E. Popov 654

Soil Physics

Physically Based Mathematical Models of the Water Vapor Sorption by Soils

A. V. Smagin 659

The Study of Preferential Water Flows and Convective Heat Transfer using the Method of Temperature Labeling

A. B. Umarova and O. A. Samoilov 670

Application of the Methods of Thermal Analysis for the Assessment of Organic Matter in Postpyrogenic Soils

O. A. Shapchenkova, Yu. N. Krasnoshchekov, and S. R. Loskutov 677

Soil Biology

Assessment of the Microbial Biomass Using the Content of Phospholipids in Soils of the Dry Steppe

T. E. Khomutova and V. A. Demkin 686

Degradation, Protection, and Rehabilitation of Soils

Evaluation of the Respiration Activity of Leached Chernozems
under Soil-Conservation Technologies of Crop Cultivation

A. A. Vershinin and Yu. A. Ignat'ev

693

Book Reviews

Soils of the Land of Volcanoes

I. I. Sudnitsyn

698

From Empirical Knowledge to Philosophic Generalization in Pedology

A. N. Gennadiev

700

Chronicle

International Symposium Soil Organic Matter Dynamics in Long-Term Field
Experiments and Their Modelling

N. P. Masyutenko, B. M. Kogut, V. A. Romanenkov, and E. V. Shein

702

Jubilee

On the Jubilee of Maria Ivanovna Dergacheva
