

CONTENTS

Remodelling of the Upper Chenab Canal: A Case Study from Pakistan: A. S. Shakir and N. Maqbool.....	285
Irrigation Sustainability Assessment of Selected Projects in Tha Chin basin, Thailand: S. Tiewtoy, R. S. Clemente, S. R. Perret, M. S. Babel and S. Weesakul	296
The Use of Hydraulic Models to Optimize the Rehabilitation of an Open Channel Irrigation System: The Example of the Senegal River Delta Irrigation System: T. Bouisse, J.-P. Baume and M. Gassama	308
On-farm Evaluation of Fertilizer Briquettes and Low-Cost Drip Irrigation for Smallholder Vegetable Production in Cambodia: S. P. Bhattarai, M. C. Palada, D. J. Midmore, D. Wu and R. Salas.....	318
Application of Geomembrane to Control Piping of Sandy Soil Under Concrete Canal Lining (Case Study: Moghan Irrigation Project, Iran): H. Rahimi, N. Abbasi and H. Shantia.....	330
Nutrient Distribution, Growth, and Water Use Efficiency in Maize Following Winter Wheat Irrigated by Sprinklers or Surface Irrigation: G. Lv, Y. Kang, L. Li and S. Liu.....	338
Water Management to Meet Present and Future Food Demand: B. K.C., B. Schultz and K. Prasad.....	348
Optimizing Subsurface Drainage Practices in Irrigated Agriculture in the Semi-Arid and Arid Regions: Experiences from Egypt, India and Pakistan: H. Ritzema and B. Schultz	360
Using Constructed Wetlands to Improve Drainage Water Quality from Hydroponics Farms: B. Abbassi, K. Al-Zboon, J. Radaideh and A. Wahbeh	370
Benchmarking Irrigation Water Use in Golf Courses – A Case Study in Spain: J. A. Rodríguez-Díaz, E. K. Weatherhead, J. García Morillo and J. W. Knox	381
Simulation of a Groundwater Artificial Recharge in a Semi-Arid Region of Iran: A. T. Tizro, K. S. Voudouris and K. Akbari	393
Modelling Reference Evapotranspiration Using Feed Forward Backpropagation Algorithm in Arid Regions of Africa: Y.-M. Wang, S. Traore, T. Kerh and J.-M. Leu.....	404
Treatments and Economic Aspects of Growing Rice and Wheat Crops during Reclamation of Tile Drained Saline-Sodic Soils Using Brackish Waters: A. Ghafoor, G. Murtaza, A. A. Maann, M. Qadir and B. Ahmad	418
ICID: International Conference on “Transboundary Environmental Problems of Middle Asia”, Tashkent, Uzbekistan, November 2010: M. Gopalakrishnan	427
