Editorial

297 **Onkos: unmask yourself**

F. M. Riegler

Review

299 **Resection or bypass in the treatment of corrosive oesophageal strictures? Malignant transformation as a late complication in both methods**

L. Sikorszki, K. Kalmár, G. Pavlovics, A. Papp, S. G. Sajjadi, M. Szabó, Ö. P. Horváth

Original Scientific Paper

304 **Assessment of columnar-lined esophagus in controls and patients with gastroesophageal reflux disease with and without proton-pump inhibitor therapy**

I. Mesteri, J. Lenglinger, L. Beller, S. Fischer-See, Sebastian F. Schoppmann, F. Wrba, F. M. Riegler, J. Zacherl

314 **Lichtenstein's mesh versus Bassini tissue repair technique for obstructed inguinal hernia: a controlled randomized study**

N. Panda, D. P. Ghoshal, S. Das, R. Das

319 **Which mesh is appropriate for laparoscopic use? Prevention of adhesions to macroporous mesh, a rabbit model**

J. Baracs, I. Takacs, S. G. Sajjadi, O. P. Horvath, G. Weber

325 **Effects of everolimus on hepatic ischemia/reperfusion injury in an experimental rat model**

B. G. Demirci, M. Cindoruk, U. T. Yilmaz, M. D. Demirag, I. I. Gonul, U. Demirci, O. Gulbahar, A. Dalgic

331 **Subclavian vein puncture vs. surgical cut-down to the cephalic vein for insertion of totally implantable venous access ports**

B. Dauser, J. Stopfer, S. Ghaffari, F. Herbst

336 **Regulation of tumor growth and angiogenesis in colorectal cancer**

J. Nolde, C. deWit, E. Schloericke, H.-P. Bruch, T. Laubert

Short Communication

341 **Operable gastric cancer diagnosed soon after implantation of a coronary drug-eluting stent: how to manage?**

D. Bona, A. Aiolfi, S. Picozzi, B. Rubino, L. Bonavina

Case Report

345 **Laparoscopic omental folding: a new procedure to prevent omental wraps of continuous peritoneal dialysis catheters**

M. Kaya, M. E. Boleken, M. Soran, S. Yucesan

349 **Retroperitoneal abscess in the anterior para-renal space in a healthy patient**

M. A. Arrabal-Polo, M. Arrabal-Martin

351 **Accessory lactating inguinal breast: a rare occurrence**

R. Das, N. Panda, S. K. Bandyopadhyay, S. Das, D. Singh, P. Bhattacharya

354 **Idiopathic granulomatous mastitis treated with topical steroids: case report**

S. Monib, A. Hassan, L. M. Lai
