

ORIGINAL PAPERS

**Thiamine supplementation in symptomatic chronic heart failure: a randomized, double-blind, placebo-controlled, cross-over pilot study**

A.W. Schoenenberger · R. Schoenenberger-Berzins · C.A. der Maur · P.M. Suter · A. Vergopoulos · P. Erne 159

**First clinical evaluation of a novel capacitive ECG system in patients with acute myocardial infarction**

M.B. Weil · M. Oehler · M. Schilling · L.S. Maier 165

**Influence of algorithm-based analgesia and sedation in patients after sudden cardiac arrest**

N. Abanador-Kamper · L. Kamper · J. Wolfertz · W. Dinh · P. Thürmann · M. Seyfarth 175

**Evaluation of defibrillation safety margin in modern implantable cardioverter defibrillators after administration of amiodarone**

J. Köbe · F. Reinke · D.G. Dechering · G. Breithardt · L. Eckardt 185

**Time-dependency, predictors and clinical impact of infarct transmuralty assessed by magnetic resonance imaging in patients with ST-elevation myocardial infarction reperfused by primary coronary percutaneous intervention**

S. de Waha · I. Eitel · S. Desch · G. Fuernau · P. Lurz · D. Haznedar · M. Grothoff · M. Gutberlet · G. Schuler · H. Thiele 191

**Real-world experience of drug-eluting stents in saphenous vein grafts compared to native coronary arteries: results from the prospective multicenter German DES.DE registry**

I. Akin · M. Wiemer · S. Schneider · J. Senges · M. Hochadel · G. Richardt · M. Abdel-Wahab · K.-H. Kuck · C.A. Nienaber 201

**Early remodeling processes as predictors of diastolic function 5 years after reperfused acute myocardial infarction and intracoronary progenitor cell application**

U. Fischer-Rasokat · J. Honold · F.H. Seeger · S. Fichtischerer · V. Schächinger · S. Dimmeler · A.M. Zeiher · B. Assmus 209

**Markers of oxidative stress after ablation of atrial fibrillation are associated with inflammation, delivered radiofrequency energy and early recurrence of atrial fibrillation**

B. Richter · M. Gwechenberger · A. Socas · G. Zorn · S. Albinni · M. Marx · J. Bergler-Klein · T. Binder · J. Wojta · H.D. Gössinger 217

**Smoking restrictions and hospitalization for acute coronary events in Germany**

J.D. Sargent · E. Demidenko · D.J. Malenka · Z. Li · H. Gohlke · R. Hanewinkel 227

LETTER TO THE EDITOR

**Value of cardiovascular magnetic resonance imaging in myocardial hypertrophy**

A. Schuster · M. Ishida · G. Morton · B. Bigalke · M.T. Moonim · E. Nagel 237
