

## CONTENTS

Page

**Plant Sciences**

- V. Delibaltova, Hr. Kirchev, I. Zheliazkov and I. Yanchev. Influence of Predecessor and Sowing Rate on Seed Yield and Yield Components of Coriander (*Coriandrum Sativum* L.) in Southeast Bulgaria..... 315
- M. Mihov, G. Antonova, S. Masheva and V. Yankova. Energy Assessment of Conventional and Organic Production of Head Cabbage..... 320
- R. Dogan, O. Kacar, E. Budakli Carpici and E. Goksu. Effects of Drought Stress Post-Anthesis Stage on Mobilization of Stem-Reserves Supporting Grain Filling of Some Triticale Cultivar and Lines..... 325
- A. R. Golparvar and M. Karimi. Determination of The Best Indirect Selection Criteria for Improvement of Seed and Oil Yield in Canola Cultivars (*Brassica Napus* L.)..... 330
- M. Bouzouina, A. Berkani, B. Lotmani, N. O. Amari and S. Ameer. Effects of *Citrus Sinensis* Crude Phenol Extract on the Larval Development of *Phyllocnistis Citrella* Staint. (Lepidoptera: Gracillariidae)..... 334
- J. Encheva, D. Valkova and P. Shindrova. Mutant Sunflower Line R 171, Produced through *in vitro* Mutagenesis of Immature Embryos..... 342
- B. Konstantinovich, M. Meseldzija and M. Korach. Qualitative and Quantitative Content of Soil Weed Seed Bank in Sunflower Crop..... 348

**Ecology, Agrochemistry and Soil Science**

- M. K. Mladenov and Y. G. Pelovski. Agrochemical Efficiency of Soil Conditioners on the Base of Wood Ash. Part 1. Agrochemical Pot-Tests on Sweet Pepper (*Capsicum annum* L.) Variety „Sivria ST” ..... 354
- U. Senyigit, I. Erdal, F. Ozdemir, Z. Kucukyumuk and A. Kadayifci. Effects of Different Irrigation Methods on Leaf and Fruit Nutrient Concentrations of Young Apple Varieties Grafted on M9 Rootstock..... 362
- T. Teofilova. The Ground Beetles (Coleoptera: Carabidae) of the Bulgarian Black Sea Coast..... 370
- S. Samavat, S. Samavat, S. Mafakheri and M. Javad Shakouri. Promoting Common Bean Growth and Nitrogen Fixation by the Co-Inoculation of *Rhizobium* and *Pseudomonas fluorescens* Isolates..... 387
- I. Atanassova N. Velichkova and M. Teoharov. Heavy Metal Mobility in Soils under the Application of Sewage Sludge..... 396

**Agricultural Economics**

- M. B. Baig and F. Aldosari. An Investigation into the Vanishing Biodiversity: Implications for Rural Extension..... 403
- N. Galluzzo. Analysis of Italian Dairy Export Over 18 Years in the European Union Market and in the World Using the Median Approach..... 410
- H. Adanacioglu and A. Olgun. Evaluation of the Efficiency of Organic Cotton Farmers: A Case Study from Turkey..... 418

**Food Science and Technologies**

- D. Kovachevich and K. Mastanjevich. Cryoprotective Effect of Maltose on Washed and Frozen Stored Chicken Meat..... 429

**Animal Science**

- I. Zhelyazkova. Honeybees – Bioindicators for Environmental Quality..... 435
- Y. Bozkurt. Seasonal Performance of Different Breeds of Feedlot Beef Cattle Grown under the Mediterranean Conditions..... 443

**Veterinary Medicine**

- T. P. Popova, R. I. Alexandrova, R. Tudose, E. M. Mosoarca and O. Costisor. Antimicrobial Activity *in vitro* of Four Nickel Complexes..... 446
- J. Mitev, Zh. Gergovska and Tch. Miteva. Effect of teat end hyperkeratosis on milk somatic cell counts in Bulgarian Black-and-White dairy cattle..... 451
