

production

- 14 **From *The Shrimp Book***
Principal Shrimp Infectious Diseases, Diagnosis
And Management
*Jorge Cuéllar-Anjel, DVM, M.S.; Mathias Corteel, DVM, Ph.D.;
Leonardo Galli, DVM, M.S.; Victoria Alday-Sanz, DVM,
M.S., Ph.D.; Kenneth W. Hasson, M.S., Ph.D.*
- 16 **Sustainable Aquaculture Practices**
Evaporation Affected by Sunlight, Temperature, Wind
Claude E. Boyd, Ph.D.
- 18 **The Bottom Line**
Compensatory Gains Yield Hidden Profits
Thomas R. Zeigler, Ph.D.; Scott Snyder, Ph.D.
- 20 **New WSSV, TSV Genotypes Identified In Saudi Arabia**
Kathy F. J. Tang; Carlos R. Pantoja; Donald V. Lightner, Ph.D.
- 22 **Microminerals Important Feed Components –
Organic Trace Elements More Effective
Than Inorganic Forms**
Ioannis Nengas
- 25 **Live Feed For Larval Shrimp, Fish –
Production, Enrichment, Feeding Strategies**
*Pedro Pousao-Ferreira, Anna Candeias Mendes, Sara Castanho,
Emilia Cunha*
- 28 **Feeding Strategy Supports Prawn Culture Without
Fishmeal, Fish Oil – Finishing Feed Enhances
LC-PUFAs In Tails**
Louis R. D'Abramo, Ph.D.
- 32 **Temperature Effects Feeding Behavior
Of Pacific White Shrimp**
Dr. Carlos A. Ching, Dr. Chalar Limsuwan
- 34 **Digestibility Of Fishery By-Products Tested –
Salmon Products, Fish Viscera Candidates
For Shrimp Feed Ingredients**
*Dong-Fang Deng, Ph.D.; Lytha D. Conquest, Ph.D.; Warren
G. Dominy, Ph.D.; Peter J. Bechtel, Ph.D.; Scott S. Smiley, Ph.D.*
- 39 **Fish Protein Hydrolysates Enhance Stress Resistance
Of Aquaculture Species**
M. Herault, V. Fournier, M. Hervy, A. Ngoc
- 42 **Seaweed Aquaculture Provides Diversified Products,
Key Ecosystem Functions – Part I. Lesser-Known
Species Group Tops Mariculture Output**
Dr. Thierry Chopin
- 44 **Aquaculture Could Enhance Mediterranean
Sea Urchin Fishery, Expand Supply**
S. Carboni, P. Addis, A. Cau, T. Atack
- 46 **Alaska's Purple-Hinge Rock Scallops Considered
For Aquaculture Development**
R. RaLonde, K. Brenner, A. C. M. Oliveira
- 50 **'Cash-SIS' Culture Yields Money Crop, Family Food –
Production Enhanced Through Varied Species Selection**
Dr. A. Milstein; Dr. M. A. Wabab; Dr. A. Kadir; M. Kunda, M.S.
- 53 **COEXIST Project Addresses Varied Uses,
Interactions In Europe's Coastal Waters**
Dr. Øivind Bergh; Emma Bello Gomez, M.S.

marketplace

- 55 **Catalonia Consumers Prefer Wild Mussels –
Study Finds Knowledge Of Mussel Farming Limited**
Dr. Cristina Escobar, Dr. Z. Kallas, J. M. Gil

- 58 **Seafood Marketing**
Varied Factors Affect Shrimp Prices, Sales – Spanish Study
Finds Wild Sourcing, Brands Key To Consumer Choices
*José Fernández Polanco, Ph.D.; Ignacio Llorente;
Ladislao Luna, Ph.D.*
- 60 **U.S. Seafood Markets**
Paul Brown, Jr.; Janice Brown; Angel Rubio
- 64 **Food Safety And Technology**
North American Markets For Fresh Tilapia –
Part II: Hand-Processed Fillets
George J. Flick, Jr., Ph.D.
- 67 **Seafood And Health**
Seafood Opportunity – 'Stuck at 16' Or Marching On?
Roy D. Palmer, FAICD

innovation

- 69 **Brunei Project Develops Technology For Large
Black Tiger Shrimp Production – Part I: Overview**
Chris Howell, Hasnah Ibrahim, Sabri Taba, Rosinah Yussof, George Chamberlain
- 73 **The Fishery: One Farm, One Fish At A Time**
Susan V. Heerin
- 76 **Protecting Fish In Shark-Infested Waters –
Developing Better Cage Netting**
Ken Robertson
- 78 **Pacific Oyster Selective Breeding In Australia –
Economics, Computing Combine To Deliver Gains**
Peter Kube, Ph.D.; Matthew Cunningham
- 80 **Experimental Culture Of Wreckfish In Spain –
Cooperative Research Achieves Spawning,
Growout Also Studied**
Dr. J. B. Peleteiro, Dr. J. L. Rodríguez
- 82 **Computer Modeling Helps Grow Fish**
Joao G. Ferreira
