

The GDRI 191 (2007–2010): Biodiversity and global change in southern Africa <i>C. Montgelard and C.A. Matthee</i>	1
Forest or the trees: At what scale do elephants make foraging decisions? <i>A.M. Shrader, C. Bell, L. Bertolli and D. Ward</i>	3
Inter-birth interval in zebras is longer following the birth of male foals than after female foals <i>F. Barnier, S. Grange, A. Ganswindt, H. Ncube and P. Duncan</i>	11
Changes of population trends and mortality patterns in response to the reintroduction of large predators: The case study of African ungulates <i>S. Grange, N. Owen-Smith, J.-M. Gaillard, D.J. Druce, M. Moleón and M. Mgobozi</i>	16
Environmental correlates and co-occurrence of three mitochondrial lineages of striped mice (<i>Rhabdomys</i>) in the Free State Province (South Africa) <i>G. Ganem, C.N. Meynard, M. Perigault, J. Lancaster, S. Edwards, P. Caminade, J. Watson and N. Pillay</i>	30
Systematics and evolution of the African pygmy mice, subgenus <i>Nannomys</i> : A review <i>J. Britton-Davidian, T.J. Robinson and F. Veyrunes</i>	41
Tempo of genetic diversification in southern African rodents: The role of Plio-Pleistocene climatic oscillations as drivers for speciation <i>C. Montgelard and C.A. Matthee</i>	50
Bryophyte diversity and range size distribution along two altitudinal gradients: Continent vs. island <i>C. Ah-Peng, N. Wilding, J. Kluge, B. Descamps-Julien, J. Bardat, M. Chuah-Petiot, D. Strasberg and T.A.J. Hedderson</i>	58
