

CONTENTS

Ecosystem Health and Recovery of the Bay of Quinte, Lake Ontario: Part II

- Preface** 369
C. K. Minns, M. Munawar, and M. A. Koops
- Fish community structure in the Bay of Quinte, Lake Ontario: The influence of nutrient levels and invasive species** 370
J. A. Hoyle, J. N. Bowlby, C. M. Brousseau, T. B. Johnson, B. J. Morrison, and R. G. Randall (Canada)
- Effect of aquatic macrophyte cover and fetch on spatial variability in the biomass and growth of littoral fishes in bays of Prince Edward County, Lake Ontario** 385
R. G. Randall, C. M. Brousseau, and J. A. Hoyle (Canada)
- Effects of water levels and water level regulation on the supply of suitable spawning habitat for eight fish guilds in the Bay of Quinte, Lake Ontario** 397
E. L. Gertzen, S. E. Doka, C. K. Minns, J. E. Moore, and C. Bakelaar (Canada)
- Changes in the benthic community of the Bay of Quinte, Lake Ontario, over a 40 year period** 410
R. Dermott, D. Martchenko, and M. Johnson (Canada)
- Phosphorus and chlorophyll in the Bay of Quinte: A time-series/intervention analysis of 1972–2008 data** 421
K. H. Nicholls (Canada)
- Assessing ecosystem health impairments using a battery of ecological indicators: Bay of Quinte, Lake Ontario example** 430
M. Munawar, M. Fitzpatrick, I. F. Munawar, H. Niblock, and D. Kane (Canada)
- Submerged aquatic vegetation in the Bay of Quinte: Response to decreased phosphorous loading and Zebra Mussel invasion** 442
K. E. Leisti, S. E. Doka, and C. K. Minns (Canada)

(Continued on inside back cover)

(Contents continued)

Assessing the fish consumption beneficial use impairment in the Bay of Quinte <i>J. J. Ridal, M. B. C. Hickey, J. Marty, and S. P. Bhavsar (Canada)</i>	453
An integrated approach to identifying ecosystem recovery targets: Application to the Bay of Quinte <i>E. A. Blukacz-Richards and M. A. Koops (Canada)</i>	464
Communicating research findings and monitoring data in support of management: A case study of the Bay of Quinte Remedial Action Plan <i>M. K. Berquist, L. M. Campbell, G. S. Whitelaw, and E. S. Millard (Canada)</i>	473
Announcement: 2012 IAGLR Lifetime Achievement Award presented to Dr. Mohiuddin Munawar, President/Chief Editor, AEHMS <i>D. F. Malley</i>	484
Corrigendum	487
