

Journal of Applied Aquaculture

- 283 The Costs and Effects of Alternative Winter Feeding Strategies for Channel Catfish *Ictalurus punctatus* in Multiple-Batch Production
Umesh Bastola, Carole R. Engle, Alf Haukenes, and Donald Freeman
- 299 Habitat Use, Survival, and Site Fidelity of Rainbow Trout Stocked into an Appalachian River
Kyle Hartman, John Howell, and Kenneth Semmens
- 316 Effects of Dietary Lipid Levels on Growth, Survival, and Molting of Yearling Narrow Clawed Crayfish, *Astacus leptodactylus*
Alireza Valipour, Rodrigo O. A. Ozorio, Farid Shariatmadari, Abdolmohammad Abedian, Jafar Seyfabadi, and Asgar Zahmatkesh
- 326 Median Lethal Concentration (LC₅₀) of Piscicidal Plants and Their Utilization in Aquaculture
S. N. Ramanujam and R. Dominic
- 334 Water Temperature in Inland, Low-Salinity Shrimp Ponds in Alabama
Naparut Prapaiwong and Claude E. Boyd
- 342 Fillet Yields from Four Strains of Nile Tilapia (*Oreochromis niloticus*) and a Red Variety
Mark A. Peterman and Ronald P. Phelps
- 349 Comparative Growth and Survival of Reciprocal Hybrids Between *Clarias gariepinus* and *Clarias anguillaris*
A. A. Akinwande, O. A. Fagbenro, and O. T. Adebayo
- 356 Effect of Water Flow Rate and Stocking Density on Nursing Hatchery-Reared Juvenile Oysters, *Crassostrea belcheri* in a Semi-Closed Recirculation System
Suwat Tanyaros, Tamrong Pattanatong, and Woraporn Tarangkoon
- 366 The Use of American Ginseng (*Panax quinquefolium*) in Practical Diets for Nile Tilapia (*Oreochromis niloticus*): Growth Performance and Challenge with *Aeromonas hydrophila*
Mohsen Abdel-Tawwab
