### Agricultural Economics

N. Ivanova, Z. Stoyanova and P. Mishev. Estimation of Optimal Tax Level on Pesticides Use and its Impact on Agriculture.....	641
M. Cerny. On Estimation of the Hedge Ratio in Management of Price Risk of Agricultural Commodities.....	651
F. Handan Giray and M. C. Omerci Kart. Economics of <i>Rosa damascena</i> in Isparta, Turkey.....	658

### Plant Sciences

M. Simic, J. Srdic, Z. Videnovic, Z. Dolijanovic, A. Uludag and D. Kovacevic. Sweet Maize ( <i>Zea mays</i> L. <i>saccharata</i> ) Weeds Infestation, Yield and Yield Quality Affected by Different Crop Densities.....	668
N. Velcheva, A. Atanasov, O. Karadjova and Z. Hubenov. Parasitoid Assemblages Isolated from Externally Feeding Lepidopterans and Codling Moth ( <i>Cydia pomonella</i> L., Tortricidae) in a Young Apple Orchard in West Bulgaria.....	675
O. Calis, S. Saygi and D. Celik. Molecular Identification of Bacterial Canker and Bacterial Wilt Diseases in Tomatoes.....	682
B. Tanovic, J. Hrustic, M. Grahovac, M. Mihajlovic, G. Delibasic, M. Kostic and D. Indic. Effectiveness of Fungicides and an Essential-Oil-Based Product in the Control of Grey Mould Disease in Raspberry.....	689
H. Kirchev, V. Delibaltova, I. Yanchev and I. Zheliazkov. Comparative Investigation of Rye Type Triticale Varieties, Grown in the Agroecological Conditions of Thrace Valley.....	696
T. Popovic, M. Starovic, G. Aleksic, S. Zivkovic, D. Josic, M. Ignjatov and P. Milovanovic. Response of Different Beans against Common Bacterial Blight Disease Caused by <i>Xanthomonas axonopodis</i> v. <i>Phaseoli</i> .....	701
D. S. Petkova and E. D. Zhekova. Forage and Seed Productivity in Alfalfa, Attacked by <i>Plagionotus floralis</i> Pall. (Coleoptera: Cerambycidae).....	708
B. Hadzhiivanova, V. Bozhanova and D. Dechev. Interspecific Hybridization between Durum Wheat and <i>Aegilops umbellulata</i> (Zhuk.).....	713

### Ecology, Agrochemistry and Soil Science

K. Kilic, S. Kilic and R. Kocyigit. Assessment of Spatial Variability of Soil Properties in Areas under Different Land Use.....	722
Faridullah, A. Waseem, A. Alam, M. Irshad, M. A. Sabir and M. Umar. Leaching and Mobility of Heavy Metals after Burned and Burned Poultry Litter Application to Sandy and Masa Soils.....	733
I. Velcheva, S. Petrova, I. Mollov, G. Gecheva and D. Georgiev. Herbicides Influence the Community Structure of the Soil Mezofauna.....	742
C. Aydinalp and S. Marinova. Concentration of Cu and Zn in Some Fruits and Vegetables Grown in North Western Turkey.....	749

### Food Science

T. Brlek, M. Bodroza-Solarov, D. Vukmirovic, R. Colovic, J. Vuckovic and J. Levic. Utilization of Spelt Wheat Hull as a Renewable Energy Source by Pelleting.....	752
M. L. Michaylova. Influence of the Cultivation Condition on Carbohydrate Utilization by <i>Lactobacillus Delbrueckii</i> Subsp. <i>Bulgaricus</i> .....	759
H. Kesenkas, N. Dinkci, K. Seckin, O. Gursoy and O. Kinik. Physicochemical, Biochemical, Textural and Sensory Properties of Telli Cheese - A Traditional Turkish Cheese Made from Cow Milk.....	763

### Animal Science

Z. Gergovska, T. Miteva, T. Angelova, D. Yordanova and J. Mitev. Relation of Milking Temperament and Milk Yield in Holstein and Brown Swiss Cows.....	771
K. Dimov, R. Kalev, M. Tzankova and P. Penchev. Fatty-Acid Composition of the Lipids in <i>M. Longissimus Dorsi</i> of Bovine and Buffalo Calves and Buffalo Cows.....	778

### Veterinary Medicine

R. Dimitrov, D. Vladova, K. Stamatova, D. Kostov and M. Stefanov. Anatomical Computed Tomographic Study of the Heart and Some Mediastinal Vessels of the Rabbit ( <i>Oryctolagus Cuniculus</i> ).....	784
---	-----

### Agricultural Technique

T. Marakoglu and K. Carman. Wheat Production Using Direct Seeding Reduced Tillage and Conventional Tillage in Middle Anatolia.....	789
E. Gulsoylu, E. Cakir, E. Aykas, H. Yalcin, B. Cakmak and A. Cay. Determination of the Field Performances of Different Types of Chisel Legs.....	794
