

International Journal of Medicinal Mushrooms

Volume 14 / Number 1 2012

TABLE OF CONTENTS

- 1 **New Scientific Approaches to Cancer Treatment: Can Medicinal Mushrooms Defeat the Curse of the Century?**
Roumyana D. Petrova
- 21 **Expression of Hygromycin B Resistance in Oyster Culinary-Medicinal Mushroom, *Pleurotus ostreatus* (Jacq.:Fr.)P. Kumm. (Higher Basidiomycetes) Using Three Gene Expression Systems**
Xiaoya Dong, Ke Zhang, Yuqian Gao, Yuancheng Qi, Jinwen Shen, & Liyou Qiu
- 27 **Hypolipidemic and Antiatherogenesis Effect of Culinary-Medicinal Pink Oyster Mushroom, *Pleurotus salmoneostramineus* L. Vass. (Higher Basidiomycetes), in Hypercholesterolemic Rats**
Ki Nam Yoon, Nuhu Alam, Mi Ja Shim, & Tae Soo Lee
- 37 **Antiviral Activity of Polyporoid Mushrooms (Higher Basidiomycetes) from Altai Mountains (Russia)**
Tamara V. Teplyakova, Nadezhda V. Psurtseva, Tatiana A. Kosogova, Natalia A. Mazurkova, Viacheslav A. Khanin, & Viacheslav A. Vlasenko
- 47 **Antibacterial Activity of Wild *Xylaria* sp. Strain R005 (Ascomycetes) Against Multidrug-Resistant *Staphylococcus aureus* and *Pseudomonas aeruginosa***
Veluchamy Ramesh, U. S. Ezhil Arivudainambi, Annamalai Thalavaipandian, Chandran Karunakaran, & Ayyappan Rajendran
- 55 **Yellow Brain Culinary-Medicinal Mushroom, *Tremella mesenterica* Ritz.:Fr. (Higher Basidiomycetes), is Subjectively but not Objectively Effective for Eradication of *Helicobacter pylori*: A Prospective Controlled Trial**
Jesse Lachter, Yevgeny Yampolsky, Ronit Gafni-Schieber, & Solomon P. Wasser
- 65 ***Pleurotus opuntiae* (Durieu et Lév.) Sacc. (Higher Basidiomycetes) and Other Species Related to Agave and *Opuntia* Plants in Mexico—Taxonomy, Distribution, and Applications**
Marcelo Camacho, Gastón Guzmán, & Laura Guzmán-Dávalos
- 79 **Contents of Some Metabolites in the Peel and Flesh of the Medicinal Mushroom *Wolfiporia cocos* (F.A. Wolf) Ryvarden et Gilb. (Higher Basidiomycetes)**
Yuanzhong Wang, Tao Li, Yanli Zhao, Ji Zhang, & Honggao Liu
- 85 **Preparation of Culinary-Medicinal King Oyster Mushroom *Pleurotus eryngii*—Fermented Products with High Ergothioneine Content and Their Taste Quality**
Shih-Yu Chen, Kung-Jui Ho, Chih-Hung Liang, Ching-Hsuan Tsai, Ling-Yi Huang, & Jeng-Leun Mau
