

Contents

Monitoring by LC-MS/MS of 48 compounds of sildenafil, tadalafil, vardenafil and their analogues in illicit health food products in the Korean market advertised as enhancing male sexual performance <i>J.H. Lee, N.S. Kim, K.M. Han, S.H. Kim, S. Cho and W.S. Kim</i>	1849
Residue analyses and exposure assessment of the Irish population to nitrofurans metabolites from different food commodities in 2009–2010 <i>A. Radovnikovic, E.-R. Conroy, M. Gibney, J. O'Mahony and M. Danaher</i>	1858
Developing a microbiological growth inhibition screening assay for the detection of 27 veterinary drugs from 13 different classes in animal feedingstuffs <i>T. Bohn, T. Pellet, A. Boscher and L. Hoffmann</i>	1870
Comprehensive screening for multi-class veterinary drug residues and other contaminants in muscle using column-switching UPLC-MS/MS <i>J. Zhan, D. Xu, S. Wang, J. Sun, Y. Xu, M. Ni, J. Yin, J. Chen, X. Yu and Z. Huang</i>	1888
Effect of thermal processing and canning on cadmium and lead levels in California market squid: the role of metallothioneins <i>A. Galitsopoulou, D. Georgantelis and M.G. Kontominas</i>	1900
Selective determination of thiram residues in fruit and vegetables by hydrophilic interaction LC-MS <i>D. Ringli and W. Schwack</i>	1909
Occurrence of perfluoroalkyl substances (PFASs) in various food items of animal origin collected in four European countries <i>V. Hlouskova, P. Hradkova, J. Poustka, G. Brambilla, S.P. De Filipps, W. D'Hollander, L. Bervoets, D. Herzke, S. Huber, P. de Voogt and J. Pulkrabova</i>	1918
Tracing the origin of paralytic shellfish toxins in scallop <i>Patinopecten yessoensis</i> in the northern Yellow Sea <i>J.-H. Chen, R.-C. Yu, Y. Gao, F.-Z. Kong, Y.-F. Wang, Q.-C. Zhang, Z.-J. Kang, T. Yan and M.-J. Zhou</i>	1933
Cyanogenic glycosides in plant-based foods available in New Zealand <i>P. Cressey, D. Saunders and J. Goodman</i>	1946
Multivariate optimisation of an ultrasound assisted-matrix solid-phase dispersion method combined with LC-fluorescence detection for simultaneous extraction and determination of aflatoxins in pistachio nut samples <i>M. Manoochehri, A.A. Asgharinezhad and M. Safaei</i>	1954
Testing the influence of various conditions on the migration of epoxidised soybean oil from polyvinylchloride gaskets <i>K. Hanušová, A. Rajchl, L. Votavová, J. Dobiáš and I. Steiner</i>	1963
Occurrence of brominated flame retardants in black thermo cups and selected kitchen utensils purchased on the European market <i>J. Samsonek and F. Puype</i>	1976
Migration of iron, lead, cadmium and tin from tinplate-coated cans into chickpeas <i>A. Kassouf, H. Chebib, N. Lebbos and R. Ouaini</i>	1987
Survey on the occurrence of photo-initiators and amine synergists in cartonboard packaging on the German market and their migration into the packaged foodstuffs <i>T. Jung, T.J. Simat, W. Altkofer and D. Fügler</i>	1993
