---

## Genesis and Geography of Soils

Soils of Technogenic Landscapes in the Far East: The Luchegorsk  
and Pavlovsk Coal Strip Mines

*N. M. Kostenkov, I. V. Komachkova, and L. N. Purtova*

1049

---

## Soil Chemistry

Lead Content and Isotopic Composition in Submound and Recent Soils  
of the Volga Upland

*T. V. Pampura, A. Probst, D. V. Ladonin, and V. A. Demkin*

1059

---

## Soil Physics

Statistical Evaluation of the Relationships between Spatial Variability in the Organic  
Carbon Content in Gray Forest Soils, Soil Density, Concentrations  
of Heavy Metals, and Topography

*P. A. Shary and D. L. Pinskii*

1076

---

## Degradation, Rehabilitation, and Conservation of Soils

Application and Verification of the Soil-Ecological Index for Assessing  
Soil Cover Patterns on Plowlands

*D. S. Bulgakov, N. P. Sorokina, I. I. Karmanov, T. N. Avdeeva,  
N. V. Savitskaya, and V. V. Gribov*

1088

Degradation and Restoration of Soils in the Moscow River Floodplain  
for the Last Fifty Years

*F. R. Zaidelman, M. V. Belichenko, and A. S. Bibin*

1097

Emission of CO<sub>2</sub> by Soils in the Impact Zone of the Severonikel Smelter  
in the Kola Subarctic Region

*M. S. Kadulin and G. N. Koptsik*

1107
