

CONTENTS

Articles

- YU, Q., GU, J. & YE, W.— *Deladenus prorsus* n. sp. (Nematoda: Neotylenchidae) in dunnage wood from Malaysia intercepted in Ningbo, China..... 379-388
- DAVIES, K.A., BARTHOLOMAEUS, F., KANZAKI, N. & GIBLIN-DAVIS, R.M.— *Schistonchus molochoi* sp. n. and *S. athertonensis* sp. n. (Nematoda: Aphelenchoididae) from *Ficus watkinsiana* (Moraceae) in Australia 389-400
- STIRLING, G.R., STIRLING, A.M., GIBLIN-DAVIS, R.M., YE, W., PORAZINSKA, D.L., NOBBS, J.M. & JOHNSTON, K.J.— Distribution of southern sting nematode, *Ibipora lolii* (Nematoda: Belonolaimidae), on turfgrass in Australia and its taxonomic relationship to other belonolaimids 401-415
- HONNENS, H. & EHLERS, R.-U.— Liquid culture of *Panagrolaimus* sp. for use as food for marine aquaculture shrimp and fish species 417-429
- ÁLVAREZ-ORTEGA, S., SUBBOTIN, S.A. & PEÑA-SANTIAGO, R.— Morphological and molecular study of Californian species of the genus *Aporcelaimellus* Heyns, 1965 (Dorylaimida: Aporcelaimidae) 431-449
- NIMKINGRAT, P., UHLMANN, F., STRAUCH, O. & EHLERS, R.-U.— Desiccation tolerance of dauers of entomopathogenic nematodes of the genus *Steinernema* 451-458
- MIN, Y.Y. & TOYOTA, K.— Suppression of *Meloidogyne incognita* in different agricultural soils and possible contribution of soil fauna 459-468
- PATIL, J., POWERS, S.J., DAVIES, K.G., GAUR, H.S. & MILLER, A.J.— Effect of root nitrogen supply forms on attraction and repulsion of second-stage juveniles of *Meloidogyne graminicola* 469-482
- PATIL, J., MILLER, A.J. & GAUR, H.S.— Effect of nitrogen supply form on the invasion of rice roots by the root-knot nematode, *Meloidogyne graminicola* 483-492
- VIEIRA DOS SANTOS, M.C., ESTEVES, I., KERRY, B. & ABRANTES, I.— Biology, growth parameters and enzymatic activity of *Pochonia chlamydosporia* isolated from potato cyst and root-knot nematodes 493-504
- Short communication**
- STURHAN, D.— Notes on *Xenocriconemella macrodora* (Taylor, 1936) and its synonyms (Tylenchida: Criconematidae)..... 505-506
