

CONTENTS

Articles

- YUSHIN, V.V. & KOSAKA, H.— Sperm storage in the uterium of the insect-parasitic nematode *Sphaerularia vespae* (Nematoda: Sphaerulariidae)..... 761-770
- ZENG, Y., YE, W., LI, C., WANG, X., DU, Z. & GIBLIN-DAVIS, R.M.— Description of *Schistonchus superbus* n. sp. (Nematoda: Aphelenchoididae), an associate of *Ficus superba* in China..... 771-781
- ZHAO, L., XIE, H., GU, J. & XU, C.— Description of *Trichodorus japonicus* n. sp. (Triplonchida: Trichodoridae) from Japan..... 783-793
- WIN, P.P., KYI, P.P., MAUNG, Z.T.Z. & DE WAELE, D.— Population dynamics of *Meloidogyne graminicola* and *Hirschmanniella oryzae* in a double rice-cropping sequence in the lowlands of Myanmar..... 795-807
- MEINECKE, A., HERMANN, A. & WESTPHAL, A.— Using a selective fast turn-around bioassay for population density determination of *Heterodera schachtii*..... 809-819
- DANQUAH, W.B., GROVE, I.G., BACK, M.A. & HAYDOCK, P.P.J.— Effects of a plant extract-based nematicide (G8014S) and its components on the host finding behaviour and multiplication of *Globodera pallida* on glasshouse-grown potatoes..... 821-834
- SHOKOOHI, E., MEHRABI-NASAB, A. & ABOLAFIA, J.— Studies on *Ironus* Bastian, 1865 (Enoplida: Ironidae) from Iran with a comment on its phylogenetic position..... 835-849
- KOYAMA, Y., THAR, S.P., KIZAKI, C., TOYOTA, K., SAWADA, E. & ABE, N.— Development of specific primers to *Hirschmanniella* spp. causing damage to lotus and their economic threshold level in Tokushima prefecture in Japan..... 851-858
- IVANOVA, E.S., SPIRIDONOV, S.E., CLARK, W.C., TOURNA, M., WILSON, M.J. & BARKER, G.M.— Description and systematic affinity of *Alaninema ngata* n. sp. (Alaninematidae: Panagrolaimorpha) parasitising leaf-veined slugs (Athoracophoridae: Pulmonata) in New Zealand..... 859-870
- GU, J., WANG, J., CHEN, X. & WANG, X.— Description of *Ektaphelenchus ibericus* n. sp. (Nematoda: Ektaphelenchinae) found in packaging wood from Spain..... 871-878
- ZENG, Y., YE, W., WANG, X., DU, Z. & GIBLIN-DAVIS, R.M.— *Schistonchus fistulosus* n. sp. (Nematoda: Aphelenchoididae) associated with *Ficus fistulosa* in China..... 879-890

Short communication

- KIEWNICK, S., WOLF, S., WILLARETH, M. & FREY, J.-E.— Identification of the tropical root-knot nematode species *Meloidogyne incognita*, *M. javanica* and *M. arenaria* using a multiplex PCR assay..... 891-894
