

## Articles

- ÁLVAREZ-ORTEGA, S., SUBBOTIN, S.A. & PEÑA-SANTIAGO, R.— Morphological and molecular characterisation of Californian species of *Metaporcelaimus* Lordello, 1965 (Dorylaimida, Aporcelaimidae), with a new concept of the genus . . . . . 251-278
- WANG, X., WANG, P., GU, J., WANG, J. & LI, H.— Description of *Aphelenchoides xui* sp. n. (Nematoda: Aphelenchoididae) in packaging wood from South Africa . . . . . 279-289
- WEBER, S. & TRAUNSPURGER, W.— Food choice of two bacteria-feeding nematode species dependent on food source, food density and interspecific competition . . . . . 291-301
- ZHUO, K., WANG, H., YE, W., PENG, D. & LIAO, J.— *Heterodera hainanensis* n. sp. (Nematoda: Heteroderinae) from bamboo in Hainan Province, China – a new cyst nematode in the *Afenestrata* group . . . . . 303-314
- HUMPHREYS-PEREIRA, D.A. & ELLING, A.A.— Intraspecific variability and genetic structure in *Meloidogyne chitwoodi* from the USA . . . . . 315-327
- GU, J., WANG, J. & CHEN, X.— Description of *Ektaphelenchus taiwanensis* sp. n. (Nematoda: Ektaphelenchinae) found in packaging wood from Taiwan . . . . . 329-338
- MELAKEBERHAN, H. & WANG, W.— Proof-of-concept for managing *Meloidogyne hapla* parasitic variability in carrot production soils . . . . . 339-346
- DAVIES, K.A., BARTHOLOMAEUS, F., KANZAKI, N., YE, W. & GIBLIN-DAVIS, R.M.— Three new species of *Schistonchus* (Aphelenchoididae) from the *Ficus* subgenus *Sycomorus* (Moraceae) in northern Australia . . . . . 347-362
- PALOMARES-RIUS, J.E., CANTALAPIEDRA-NAVARRETE, C., GUTIÉRREZ-GUTIÉRREZ, C., LIÉBANAS, G. & CASTILLO, P.— Morphological and molecular characterisation of *Paralongidorus plesioepimikis* n. sp. (Nematoda: Longidoridae) from southern Spain . . . . . 363-378
