

Journal of Applied Aquaculture

- 1 Accumulation and Clearance of Orally Administered Erythromycin in Adult Nile Tilapia (*Oreochromis niloticus*) and Giant Freshwater Prawn (*Macrobrachium rosenbergii*)
N. P. Minh, T. B. Lam, N. T. Giao, and N. C. Quan
- 9 Development of First-Feeding Protocols for Indoor Larviculture of Largemouth Bass (*Micropterus salmoides*)
Nicholas Skudlarek, Shawn D. Coyle, and James H. Tidwell
- 24 Practical Comparison of Commercial Starter Diets for Feed Training Largemouth Bass Fingerlings
Isak J. Csargo, Michael L. Brown, and Matthew J. Ward
- 35 Evaluation of Four Commercial Grower Diets for Production of Largemouth Bass
Isak J. Csargo, Michael L. Brown, and Matthew J. Ward
- 50 Equilibrium Concentrations of Major Cations and Total Alkalinity in Laboratory Soil-Water Systems
Li Li, Shuanglin Dong, Xiangli Tian, and Claude E. Boyd
- 66 Successful Production of Two Crops Per Year of *Litopenaeus vannamei* in Hormozga Province, Iran
Hassan Sareban, Reza Davoodi, Ehsan Bozorgi, Birandakumar Sabu, and Abdollah Esmaeilzadeh
- 71 Stress Response of Juvenile Beluga, *Huso huso*, to Light and Tank Colors
Ashkan Banan, Mohammad Reza Kalbassi, Mahmoud Bahmani, and Mohammad Ali Yazdani Sadati
- 81 Immuno-Modulatory Efficacy of Indian Red Algae, *Asparagopsis taxiformis*, in *Penaeus monodon*
Aseer Manilal, Joseph Selvin, and Sujith Sugathan
