

River Systems, Vol. 20 No. 3–4 – Table of Contents

1th International Conference on the Status and Future of the World's Large Rivers

Editorial: Habersack, H. & Hein, Th.: Water Quality Issues of Large Rivers	145
Bondareva, L., Zeer, G., Gerasimov, V. & Zhizhaev, A.: Technogenic pollution and its migration in the water flow of the Yenisei River (3 figs., 4 tabs.)	149
Hamner, S., Pyke, D., Walker, M., Pandey, G., Mishra, R.K., Mishra, V.B., Porter, C. & Ford, T.E.: Sewage pollution of the River Ganga: an ongoing case study in Varanasi India (5 figs., 3 tabs.)	157
Derx, J., Farnleitner, A.H., Zessner, M. & Blaschke, A.P.: Evaluating the effect of temperature induced water viscosity and density fluctuations on virus and DOC removal during river bank filtration – a scenario analysis (9 figs., 10 tabs.)	169
Amano, A., Sakuma, T., Kazama, S. & Gunawardhana, L.: Evaluation of diarrhea disease risk attributed to inundation water use on a local scale in Cambodia using hydrological model simulations (7 figs., 2 tabs.)	185
Ogrinc, N. & Ščančar, J.: Suspended particulate matter and water quality of the Sava River Basin (5 figs., 3 tabs.)	197
Tetzlaff, B., Haider, J., Kreins, P., Kuhr, P., Kunkel, R. & Wendland, F.: Grid-based modelling of nutrient inputs from diffuse and point sources for the state of North Rhine-Westphalia (Germany) as a tool for river basin management according to EU-WFD (12 figs., 3 tabs.)	213
Campbell, I., Hart, B. & Barlow, Ch.: Integrated Management in Large River Basins: 12 Lessons from the Mekong and Murray-Darling Rivers (3 figs.)	231
Regular articles:	
Shahraiyni, H.T., Ghafouri, M.R., Saghafian, B. & Shouraki, S.B.: Evaluation of a novel fuzzy method and a conceptual model for a long-term daily streamflow simulation (6 figs., 4 tabs.)	249
Lindenschmidt, K.-E. & Long, J.: A GIS approach to define the hydro-geomorphological regime for instream flow requirements using geomorphic response units (GRU) (11 figs., 2 tabs.)	261
Ágoston-Szabó, E., Schöll, K. & Dinka, M.: Limnological characteristics of a Danube oxbow-lake (Danube-Dráva National Park, Hungary) (7 figs., 2 tabs.)	277
