vol. 68, n° 3, May-June 2013

Influence of shell material on vitamin C content, total phenolic compounds, sorption isotherms and particle size of spray-dried camu-camu juice. N.K. SILVA, F.E.P. CORNEJO, F.S. GOMES, S.M. PONTES, V.M. MATTA, S.P. FREITAS	175
Antioxidant and antihemolytic activity of lipid-soluble bioactive substances in avocado fruits. S.F. NABAVI, S.M. NABAVI, W.N. SETZER, S.A. NABAVI, S.A. NABAVI, M.A. EBRAHIMZADEH	185
Fruit sensory characterization of four Pescabivona, white-fleshed peach [<i>Prunus persica</i> (L.) Batsch], landraces and correlation with physical and chemical parameters. G. MONTEVECCHI, G.V. SIMONE, M.G. MELLANO, F. MASINO, A. ANTONELLI	195
Bioactive compounds, antioxidant activity and mineral composition of fruits of raspberry cultivars grown in subtropical areas in Brazil. L.A. CASTILHO MARO, R. PIO, M.N. SANTOS GUEDES, C.M. PATTO DE ABREU, P.N. CURI	209
Diversity of fruit fly (Diptera: Tephritidae) species in French Guiana: their main host plants and associated parasitoids during the period 1994–2003 and prospects for management. J.-F. VAYSSIÈRES, J.-P. CAYOL, P. CAPLONG, J. SÉGURET, D. MIDGARDEN, A. VAN SAUERS-MULLER, R. ZUCCHI, K. Uramoto, A. Malavasi	219
Effect of calcium and nitrogen fertilization on bacterial canker susceptibility in stone fruits. T. CAO, R.A. DUNCAN, B.C. KIRKPATRICK, K.A. SHACKEL, T.M. DEJONG	245
Packaging, storage and value addition of aonla, an underutilized fruit, in India. V.T. KORE, H. LEMBISANA DEVI, J. KABIR	255
