

ORYZA

An International Journal on Rice

Correlation and path analyses of yield and its component characters in scented rice <i>Vineet Kumar*, PK Singh and OP Verma</i>	317-323
Germination and vigour of polymer coated CORH 3 hybrid rice seeds under different water holding capacities <i>S Ambika* and Bhaskaran M</i>	324-328
Genetic variation in in vitro response of elite aromatic and non aromatic rice varieties <i>Chaitanya KG, Sai Krishna R, Mohan Dev T and GJN Rao*</i>	329-333
Influence of potash levels on growth, yield, nutrient uptake and economics in irrigated summer rice of Assam <i>S Dutta*, TJ Ghose and PC Dey</i>	334-339
Effect of method of irrigation and fertility levels on performance of rice-ashwagandha sequence cropping system <i>MS Behera*, PK Mahapatra, OP Verma, RB Singandhupe, K Kannan, G Kar and A Kumar</i>	340-343
Yield response of rice genotypes to reproductive stage drought adapted to drought prone rainfed lowland <i>S Kumar*, R Elanchezhian, SS Singh, C Kumar, SK Pradhan, AK Mall, ON Singh and A Kumar</i>	344-350
Effect of Zn, Fe and FYM application on growth, yield and nutrient content of rice <i>Uma Shanker Ram, VK Srivastava*, A Hemantaranjan, A Sen, RK Singh, JS Bohra and U Shukla</i>	351-357
Effect of calcium silicate and need based nitrogen management in aerobic rice <i>BH Kumara*, ND Yogendra, NB Prakash, MS Anantha, N Chandrashekar</i>	358-364
Effect of organic nutrient management practices on yield and economics of scented rice Gobindabhog <i>Sibajee Banerjee, Mrityunjay Ghosh, SK Pal, D Mazumdar and D Mahata</i>	365-369
Biodiversity of insect pests, natural enemies and diseases in SRI and traditional system of rice cultivation in North eastern region <i>Mahesh Pathak*, RC Shakywar and Dinesh Sah</i>	370-374

Official Publication of

Association of Rice Research Workers

Central Rice Research Institute

Cuttack - 753 006, India

Field evaluation of cyazypyr against yellow stem borer and gall midge infesting rice in western Odisha	375-378
<i>LK Rath* and US Nayak</i>	
Variability of cooking and nutritive qualities in some popular rice varieties of West Bengal	379-385
<i>Sarita Kumari Pandey, Bijan Adhikary, Arna Das, Disharee Nath, Pritam Das and Tapash Dasgupta*</i>	
Economic comparison of paddy production using certified seed and commercial grain in north Bihar	386-390
<i>Sima Sinha* and Paras Nath</i>	
Rice based crop diversification in Odisha	391-397
<i>P Samal*, BB Panda and BN Sadangi</i>	
SHORT COMMUNICATION	
Studies on genetic relatedness among various genotypes of rice using SSR markers	398-400
<i>Showkat A Waza*, NK Rastogi, SB Verulkar and Deepak Sharma</i>	
Combining ability studies in rice	401-403
<i>Roshni Bhagat*, SS Rao and NK Motiramani</i>	
Study of heritability, genetic advance and variability for yield attributing characters in exotic germplasm of rice	404-408
<i>Amita Sharma* and GK Koutu</i>	
Effect of planting dates and N levels on grain yield and N uptake by hybrid rice	409-411
<i>B Kabat* and MR Satapathy</i>	
Influence of age of rice plant on bacterial blight disease development	412-416
<i>Ashwarya Tandon*, VS Thrimurthy, N Khare and SD Chaliganjewar</i>	
Incidence of <i>Popillia lucida</i> Newman on rice in Himachal Pradesh	417-418
<i>Yash Pal, Pawan K Sharma* and Sumit Vashisth</i>	
Management of white grub, <i>Holotrichia longipennis</i> Blanch through post-sown soil application of insecticides in upland rice	419-421
<i>SD Mohapatra*, PN Mishra and MP Singh</i>	
Contents for Vol. 50 (1-4), 2013	422-426
