
ANNALS OF PLANT PHYSIOLOGY

Vol. 27

No. 1

June, 2013

CONTENTS

Page No.

Title with Authors Name

- 1 A Rice Variety Suitable for Alternate Wetting and Drying Conditions of Kerala
R. Beena, Veena Vighneswaran, G. V. Sudarsana Rao, S. R. Voleti and M.C. Narayankutty
- 5 Effect of High Temperatures on Fruit Drop and Spongy Tissue in Alphonso Mango
B. R. Salvi, V. P. Damodhar, S. R. Mahaldar and A. Y. Munj
- 11 Evaluation of Bt Cotton (BG II) Hybrids for Morpho-physiological Traits Under Rainfed Condition
A. N. Nalwade, S. B. Amarsheetiwr, D. V. Durge, G. R. Shamkuwar and Jaya S. Tumdam
- 16 Induction of Climacteric Triggering with Varying levels of Ethylene in Two Varieties of Banana
V. P. Damodhar, R. S. Deshpande and B. R. Salvi
- 19 Performance of Secondary Metabolites Extraction Methods from *Simarouba*
S. S. Bangar, Dipika Padole and A. G. Deshmukh
- 22 Genetic Variability Study in Sorghum Germplasm Lines Against Shootfly Resistance
Priyanka Vedpathak, M. R. Wankhade, A. M. Dange, Pramodini Lad and Shweta Bharsakal
- 27 Correlation and Path Analysis in Leafy *Amaranthus tricolor* L.
Vaijayantimala Kendre, V. N. Dod, P. K. Nagre, V. S. Kale⁴ and N. R. Potdukhe
- 30 Growth and Yield of Hirsutum Varieties as Influenced by Plant Spacing and Fertilizer Levels under Rainfed Condition
A. S. Deotalu, K. J. Kubde, A. N. Paslawar, D. P. Chaudhari and V. A. Tiwari
- 33 Response of Hirsutum Cotton AKH-081 to High Plant Density, Fertilizers and Moisture Conservation
Shweta Ganvir, Mangala Ghanbahadur and V. K. Khargkharate
- 38 Response of Green Gram Varieties During Summer Season
Bharti Tijare, Anita Chorey, M. M. Ganvir and R. L. Isal
- 41 Effect of Conservation Tillage and Pigeonpea Based Cropping System on Growth Under Rainfed Conditions
Rajesh Kumar, A. N. Paslawar, V. M. Bhale and Y. K. Meena
- 47 Effect of Foliar Application of Growth Regulators on Post Harvest Life of Chrysanthemum
D. S. Kadam, S. R. Dalal, P. P. Vaidya and B. K. Farkade
- 51 Effect of Micronutrients on Growth and Fruit Yield of Papaya (*Carica papaya*)
Manisha Deshmukh, S. G. Bharad, U. A. Raut and G. G. Jadhav
-

Short Communication

- 54 Rakshak Methyl Eugenol Traps : An Ideal Tools Developed by Dr. B.S. Konkan Krishi Vidyapeeth, Dapoli to Minimize the Mango Fruit Fly Incidence (*Bactrocera dorsalis* Hendel) During Unseasonal Rains
A. Y. Munj, B. R. Salvi, V. N. Jalgaonkar, V. P. Damodhar and A. L. Narangalkar
-

CONTENTS

Page No.	Title with Authors Name
58	Effect of Ethrel and Boron Foliar Application on Productivity of Groundnut (<i>Arachis hypogaea</i> L.) K. Geethanjali, Y. Ashoka Rani, K. L. Narasimha Rao and P. Madhuvani
63	Light use Efficiency and It's Influence on Physiological Parameters in Chickpea Supriya Kawale, S. N. Mate, D. V. Deshmukh and R. W. Bharud
69	Role of Polyamines in Development of Micro Shoots and Evolution of Ethylene and Methane in <i>Cajanus cajan</i> L. G. V. Sudarsana Rao and Raghuvver Polisetty
73	Flowering Phenology and Productivity of Mango Cv. Alphonso B. R. Salvi, V. P. Damodhar, S. R. Mahaldar and A. Y. Munj
77	Evaluation of Mungbean Genotypes for Morpho-Physiological Traits Imparting Tolerance to Pre-harvest Sprouting G. R. Shamkuwar, M. P. Meshram, S. B. Amarshettiwar, M. M. Ganvir and R. V. Adagale
81	Identification of High Protein Lines in Foxtail Millet [<i>Setaria italica</i> (L.) P. Beauv.] Germplasm N. Dikshit, Prathibha Devi and Sangita Yadav
86	Correlation and Path Analysis in Cluster Bean (<i>Cyamopsis tetragonoloba</i> L.) Kanchan Tayade, V. N. Dod, S. D. Tayade, N. R. Potdukhe and P. K. Nagre
89	Assessment of Genetic Divergence in Safflower (<i>Carthamus tinctorius</i> L.) Germplasm D. G. Ingole, S. S. Lande, S. D. Tayade, S. A. Mane and A. M. Dange
92	Weed Control Efficiency as Influenced by Weedicides in Cotton and Bio-Mulching Under Dryland Conditions D. V. Shelke, A. N. Paslawar, A. S. Deotalu, M. S. Dandge and M. S. Joshi
96	Effect of Weedicides on Growth, Weed Control Efficiency and Yield of Bt Cotton D. P. Chaudhari, A. N. Paslawar, A. S. Deotalu and C. B. Khairnar
101	Effect of Different Sources and Levels of Sulphur on Growth and Yield of Soybean K. J. Kubde, D. N. Nalge, S. S. Sarode, B. K. Farkade and A. B. Age
104	Quality Components of Soybean as Influenced by Doses and Sources of Sulphur K. J. Kubde, S. S. Sarode, D. N. Nalge, B. K. Farkade and A. B. Age
107	Impact of Soil Families on Cotton Productivity in Vidarbha Region of Maharashtra P. R. Damre, U. D. Ikhe and B. A. Sonune
111	Study of Rhizosphere Microbial Activity in Organic Arboreum Cotton Grown on Vertisol Diksha Kaware, S. M. Bhoyar, P. W. Deshmukh, Jayashree Khushpure and M. S. Joshi
114	Mutagenesis Studies in Chrysanthemum S. R. Dalal, V. S. Gonge and P. P. Vaidya
