

PLANT DISEASE RESEARCH

VOLUME 28(2)

CONTENTS

Fungal Pathology

- Realizing the importance of plant disease epidemiology 108
Pushpinder Paul Singh
- Cultural, morphological and physiological variations among different anastomosis groups of *Rhizoctonia solani* Kuhn in Himachal Pradesh 113
Sachin Upmanyu and Y.S. Paul
- Morphological and molecular variability in *Colletotrichum capsici* causing anthracnose of chilli in Tamilnadu 121
D. John Christopher, T. Suthin Raj and R. Sudha Raja Kumar
- Multiple disease resistance in bread wheat genotypes 128
Daman Jeet Kaur, Ritu Bala and Indu Sharma
- Effect of planting techniques, irrigation and weed management on major diseases and yield of field pea 132
Snehlata Kumari, Santosh Kumar, H.S. Tripathi and V.K. Singh
- Efficacy of triazole fungicides for the integrated management of yellow rust, leaf rust and powdery mildew of wheat 135
Ashwani K. Basandrai, B.K. Sharma and Daisy Basandrai
- Impact of pre-harvest treatments on fungal microflora associated with guava during cold storage 140
K.S. Gill, H. S. Dhaliwal, S.S. Kang, S. Kaur, B.V.C. Mahajan and R.S. Boora
- Effect of different physiological parameters on growth and sporulation of *Trichoderma viride* 146
Anita Puyam, Mohd. Shahid, Mukesh Srivastava and Anuradha Singh
- Screening of varieties of gladiolus under artificial epiphytotic conditions against *Curvularia trifolii* f. sp. *gladioli* 152
Hanuman Singh and P.J. Singh
- Status of Karnal bunt in farmers' own saved wheat seed in Haryana 157
S.S. Jakhar and R.C. Punia
- Role of silica fertilizers on early events of infection by *Pyricularia grisea* in finger millet 159
P. Krishnappa, G.R. Ramaswamy and V. Jyothi
- Morphological and molecular variability in *Rhizoctonia solani* isolates infecting potato and rice 163
Jaspal Kaur and Amrinder Kaur
- Management of flag smut of wheat through seed-cum-soil treatment with *Trichoderma* alone and in combination with fungicides 169
P.S. Shekhawat and V.L. Majumdar

Efficacy of some new fungicides in controlling purple blotch of onion under Punjab conditions <i>I.S. Aujla, P. K. Amrate, Pardeep Kumar and T. S. Thind</i>	171
Morphological and physiological variation among isolates of <i>Rhizoctonia solani</i> inciting wet root rot of chickpea <i>Jagdish Prasad, Vinod Kumar Gaur and Sangeeta Mehta</i>	174
Status of rice diseases in Haryana <i>Ram Singh, S. Sunder and D.S. Dodan</i>	181
Morphological and physiological variation among isolates of <i>Fusarium oxysporum</i> f. sp. <i>cumini</i> causing wilt of cumin <i>Sangeeta Mehta, Vinod Kumar Gaur and Jagdish Prasad</i>	186
Nematology	
Screening of tomato germplasm against root knot nematode (<i>Meloidogyne incognita</i>) and biochemical characterization of selected tomato genotypes <i>Maninder Kaur, S. Sharma and Sukhjeet Kaur</i>	191
Short Communications	
Comparison of two scoring systems for evaluating false smut resistance in rice and a new proposed rating scale <i>D.S. Dodan, S. Sunder and Ram Singh</i>	197
First report of <i>Pantoea ananatis</i> strain NVGL -01 on ginger <i>N.P. Dohroo, Sandeep Kansal, Neha Ahluwalia and V. Shanmugam</i>	200
Occurrence of Phyllosticta leaf spot of tomato under protected cultivation in Himachal Pradesh <i>Narender K. Bharat and S. K. Gupta</i>	203
Occurrence of late blight in cherry tomato grown under protected conditions in Himachal Pradesh <i>Arti Shukla, S.K. Gupta and H.R. Sharma</i>	205
Role of silica fertilizers on blast (<i>Pyricularia grisea</i> Sacc.) disease development in finger millet [<i>Eleusine coracana</i> (L.) Gaertn.] <i>P. Krishnappa, G.R. Ramaswamy and V. Jyothi</i>	207
Prevalence, cultural studies and disease cycle of <i>Corticium salmonicolor</i> Berk. and Br. infecting apple cultivation in Himachal Pradesh <i>Durga Prashad, Ved Ram and I.M. Sharma</i>	209
Stem end rot of mango and its control <i>Rakesh K. Mandradia and Kumud Jarial</i>	213
Abstracts of research papers - <i>National Symposium on Changing Disease Scenario and Management Approaches for Sustainability in Agriculture</i> held at Sher-e-Kashmir University of Agricultural Sciences and Technology of Kashmir, Shalimar, Srinagar-190 025, Jammu & Kashmir on 26 th - 27 th October, 2013	215
Proceedings of the General Body Meeting of INSOPP	244
News	248
