

# **Water Resources Management**

**Volume 28 · Number 1 · January 2014**

## **Irrigation Planning and Management Through Optimization Modelling**

A. Singh 1

## **Uncertainty-Driven Characterization of Climate Change Effects on Drought Frequency Using Enhanced SPI**

A. Zargar · R. Sadiq · F.I. Khan 15

## **Minimization of Sewage Network Overflow**

B. Joseph-Duran · M. Jung · C. Ocampo-Martinez · S. Sager · G. Cembrano 41

## **Marginal Value Estimation for the Attributes of the Tameikes via Choice Experiment**

S. Nakano · K. Nishimura 65

## **Implications of Urban Form on Water Distribution Systems Performance**

R. Farmani · D. Butler 83

## **Estimation of Monthly Mean Reference Evapotranspiration in Turkey**

H. Citakoglu · M. Cobaner · T. Haktanir · O. Kisi 99

## **Importance Analysis of Groundwater Remediation Systems**

J. Zhang · L. He · H. Lu · J. Li 115

## **Extraction of Flexible Multi-Objective Real-Time Reservoir Operation Rules**

M. Ahmadi · O. Bozorg Haddad · M.A. Mariño 131

## **Stormwater Capture Efficiency of Bioretention Systems**

S. Zhang · Y. Guo 149

## **Water Conflict Risk due to Water Resource Availability and Unequal Distribution**

N.K. Gunasekara · S. Kazama · D. Yamazaki · T. Oki 169

## **Modeling Nonlinear Monthly Evapotranspiration Using Soft Computing and Data Reconstruction Techniques**

S. Kim · V.P. Singh · Y. Seo · H.S. Kim 185

## **Evaluation of Radiation-Based Reference Evapotranspiration Models Under Different Mediterranean Climates in Central Greece**

D.A. Samaras · A. Reif · K. Theodoropoulos 207

## **Temporal Change Analysis Based on Data Characteristics and Nonparametric Test**

D. Li · H. Xie · L. Xiong 227

**IB-ICCMSP: An Integrated Irrigation Water Optimal Allocation and Planning Model  
Based on Inventory Theory under Uncertainty**

M. Li · P. Guo · G.Q. Yang · S.Q. Fang 241

**Defining Groundwater Remediation Objectives with Cost-benefit Analysis: Does It Work?**

J.-D. Rinaudo · S. Aulong 261

**A Note on Distortional Distributional Effects in River Basin Discharge Permit Trade**

N. Wittmann 279
