

# Aquatic Ecosystem Health & Management

The official journal of the Aquatic Ecosystem Health and Management Society

*Volume 17, Number 1*

*January–March 2014*

## CONTENTS

### GLOW VII

#### **Protecting Great Lakes of the World: Managing Exploitation with Ecosystem-Based Science**

#### **Preface**

*M. Munawar and M. Van der Knaap*

1

### **Lake Tanganyika**

#### **Lake Tanganyika fisheries frame survey analysis: Assessment of the options for management of the fisheries of Lake Tanganyika**

*M. Van der Knaap, K. I. Katonda, and G. J. De Graaf (Burundi)*

4

#### **Diel vertical distribution and life history characteristics of *Tropodiptomus simplex* and its importance in the diet of *Stolothrissa tanganyicae*, Kigoma, Tanzania**

*H. F. Mgana, A. Herzig, and Y. D. Mgaya (Tanzania)*

14

#### **Seasonal changes in the pelagic catch of two clupeid zooplanktivores in relation to the abundance of copepod zooplankton in the northern end of Lake Tanganyika**

*N. Mulimbwa, J. A. M. Raeymaekers, and J. Sarvala (Congo)*

25

#### **Lake Tanganyika fisheries in post-conflict Democratic Republic of Congo**

*M. Van der Knaap, D. Manara Kamitenga, L. Ngoie Many, A. Esube Tambwe, and G. J. De Graaf (Burundi)*

34

#### **Littoral fisheries on Cichlidae (Pisces) from the northwestern part of Lake Tanganyika, East Africa**

*C. D. Mushagalusa, M. Nshombo, and M. Lushombo (Congo)*

41

### **Lake Victoria**

#### **Spatial and temporal variation in the distribution and density of pelagic fish species in Lake Victoria, East Africa**

*Anthony Taabu-Munyaho, C. S. Nyamweya, L. Sitoki, R. Kayanda, I. Everson, and G. Marteinsdóttir (Uganda)*

52

*(Continued on inside back cover)*

<b>Feeding ecology of the intensively fished Nile Perch, <i>Lates niloticus</i>, in Lake Victoria, Uganda</b> <i>W. Nkalubo, L. Chapman, and F. Muyodi (Uganda)</i>	62
<b>Management of Lake Victoria fishery: Are we looking for easy solutions?</b> <i>M. Njiru, M. Van der Knaap, A. Taabu-Munyaho, C. S. Nyamweya, R. J. Kayanda, and B. E. Marshall (Kenya)</i>	70
<b>The intriguing dynamics of <i>Rastrineobola argentea</i> fishery in the Kenyan waters of Lake Victoria</b> <i>W. O. Ojwang, J. E. Ojuok, C. Nyamweya, S. Agembe, M. Owili, E. Yongo, and E. O. Wakwabi (Kenya)</i>	80
<b>Lake Malawi</b>	
<b>Assessment of the effects of plerocercoid larvae of <i>Ligula intestinalis</i> (Cestoda) on <i>Engraulicypris sardella</i> (Cyprinidae) from northern Lake Nyasa/Malawi/Niasa</b> <i>A. Msafiri, K. Kwendwa, P. G. Nestory, and M. Alistidia (Tanzania)</i>	90
<b>Environmental governance dimensions and perspectives for three transboundary African lakes</b> <i>H. K. Mwima (Burundi)</i>	97
<b>Overview</b>	
<b>GLOW VII Symposium in Bujumbura, Burundi</b> <b>Protecting Great Lakes of the World: Managing Exploitation with Ecosystem-Based Science</b> <i>M. Van der Knaap and M. Munawar (Burundi, Canada)</i>	103
