

Research Papers

- Resistance to *Iris yellow spot virus* and onion thrips among onion varieties grown in Kenya
R.K. BIRTHIA, S. SUBRAMANIAN, J.W. MUTHOMI AND R.D. NARLA 73
- Effect of three commercial biopesticides of neem (*Azadirachta indica*) and *Bacillus thuringiensis* on legume pod borer (*Maruca vitrata*) (Lepidoptera: Crambidae) in Thailand
P. KUMAR, L.-Y.Z. HUANG AND R. SRINIVASAN 80
- Safe and sustainable management of legume pests and diseases in Thailand and Vietnam: a situational analysis
P. SCHREINEMACHERS, R. SRINIVASAN, M.-H. WU, M. BHATTARAI, R. PATRICIO, S. YULE, V.H. QUANG AND B.T.H. HOP 88
- Variability of the potency of some selected entomopathogenic bacteria (*Bacillus* spp. and *Serratia* spp.) on termites, *Macrotermes bellicosus* (Isoptera: Termitidae) after exposure to magnetic fields
I.O. OMoya AND B.A. KELLY 98
- Efficacy and persistence of *Metarhizium acridum* (Hypocreales: Clavicipitaceae) used against desert locust larvae, *Schistocerca gregaria* (Orthoptera: Acrididae), under different vegetation cover types
M.O. ATHEIMINE, M.O. BASHIR, S.O. ELY, C.M.H. KANE, S.A.O. MOHAMED, M.A.O. BABUH AND M. BENCHKROUN 106
- Feeding preferences of *Coptotermes heimi* (Isoptera: Termitidae) under laboratory and field conditions for different commercial and non-commercial woods
K.Z. RASIB AND H. ASRAF 115
- Foraging and pollination behaviour of *Xylocopa olivacea* (Hymenoptera: Apidae) on *Phaseolus coccineus* (Fabaceae) flowers at Ngaoundéré (Cameroon)
F.-N. TCHUENGUEM FOHOUE, S.F. TOPE AND D. BRÜCKNER 127
- Pollination efficiency of *Xylocopa olivacea* (Hymenoptera: Apidae) on *Cajanus cajan* (Fabaceae) flowers at Yaoundé, Cameroon
F.-N. TCHUENGUEM FOHOUE, J.B. PANDO AND J.L. TAMESSE 138
- Identification of genes related to resin biosynthesis in the Indian lac insect, *Kerria lacca* (Hemiptera: Tachardiidae)
G. SHAMIM, D.M. PANDEY, R. RAMANI AND K.K. SHARMA 149
