Vol. 47, No. 4, 2014

A simultaneous English language translation of this journal is available from Pleiades Publishing, Ltd.
Distributed worldwide by Springer. *Eurasian Soil Science* ISSN 1064-2293.

Genesis and Geography of Soils

- Ecological–Hydrological and Genetic Features of the Soils of the Tambov Plain
F. R. Zaidelman, A. S. Nikiforova, L. V. Stepantsova, T. V. Krasina, and V. N. Krasin 223
- Transformation of the Organic Matter of Steppe Soils of the Trans-Ural Region
after Their Conversion into the Reserved Regime
V. E. Prikhodko and D. V. Manakhov 236
- Evolution of the Soil Cover of Soccer Fields
V. P. Belobrov and I. V. Zamotaev 245
-

Soil Chemistry

- Natural and Technogenic Compounds of Heavy Metals in Soils
Yu. N. Vodyanitskii 255
- The Nature of Alkalinity in Virgin and Anthropogenically Modified Solonchaks
of Northern Kalmykia
A. V. Klimanov, L. A. Vorob'eva, A. F. Novikova[†], and M. V. Konyushkova 266
- Effect of Repeated Drying–Wetting–Freezing–Thawing Cycles
on the Active Soil Organic Carbon Pool
V. M. Semenov, B. M. Kogut, and S. M. Lukin 276
-

Soil Physics

- Thermodynamic Assessment of the Effect of Strongly Swelling Polymer
Hydrogels on the Water Retention Capacity of Model Porous Media
N. B. Sadovnikova, A. V. Smagin, and M. A. Sidorova 287
-

Soil Biology

- Viability of Bacteria in Peatlands
*O. Yu. Bogdanova, A. V. Golovchenko, L. V. Lysak,
T. V. Glukhova, and D. G. Zvyagintsev* 297
-

Agricultural Chemistry and Soil Fertility

- Effect of Crop Residues on the Organic Matter Composition of a Leached
Chernozem in the Western Siberian Forest-Steppe
I. N. Sharkov, L. M. Samokhvalova, P. V. Mishina, and A. G. Shepelev 304
- Effect of the Chemical Composition of Green Manure Crops on Humus
Formation in a Soddy-Podzolic Soil
L. Tripolskaja, D. Romanovskaja, A. Slepeliene, A. Razukas, and G. Sidlauskas 310
-

Soil Reclamation

Changes in the Properties of Soils in a Solonetz Soil Complex Thirty
Years after Reclamation

*V. P. Kalinichenko, V. K. Sharshak, S. F. Mironchenko, V. V. Chernenko,
E. P. Ladan, E. D. Genev, V. V. Illarionov, A. V. Udalov,
V. V. Udalov, and E. V. Kippel*

319

Degradation, Rehabilitation, and Conservation of Soils

Scientific and Legal Aspects of the *Red Data Book of Soils*

A. I. Kliment'ev, V. F. Kuksanov, and E. V. Kuksanova
