

Contents

Vol. 47, No. 6, 2014

Genesis and Geography of Soils

Soils and the Soil Cover of the Valley of Geysers

D. N. Kostyuk and A. N. Gennadiev 529

Concretions in Typical Chernozem, Gleyed Chernozem-Like, and Solonchic Chernozem-Like Soils of the Southern Tambov Lowland

*F. R. Zaidel'man, A. S. Nikiforova, L. V. Stepansova,
T. V. Krasina, and V. N. Krasin* 540

The Rate of Peat Accumulation in the Holocene in Kamchatka

L. V. Zakharikhina 556

Soil Chemistry

Polycyclic Aromatic Hydrocarbons in Soils and Lower-Layer Plants of the Southern Shrub Tundra under Technogenic Conditions

E. V. Yakovleva, D. N. Gabov, V. A. Beznosikov, and B. M. Kondratenok 562

Disputable Issues in Interpreting the Results of Chemical Extraction of Iron Compounds from Soils

Yu. N. Vodyanitskii and S. A. Shoba 573

Dissolved Organic Matter in Lysimetric Water of Mountain Forest Soils in the Southern Sikhote Alin

T. N. Lutsenko, V. S. Arzhanova, and S. Yu. Bratskaya 581

Soil Physics

Biodestruction of Strongly Swelling Polymer Hydrogels and Its Effect on the Water Retention Capacity of Soils

A. V. Smagin, N. B. Sadovnikova, and M. V. Smagina 591

Soil Erosion

Snowmelt-Induced Soil Erosion on Gentle Slopes in the Southern Cis-Ural Region

M. A. Komissarov and I. M. Gabbasova 598

Degradation, Rehabilitation, and Conservation of Soils

Speciation of Radium-226 in Podzols of Northeastern Sakhalin in the Impact Zone of the Oil Field

D. V. Manakhov and Z. N. Egorova 608

Modern State of the Soils of Flood Irrigation Systems in the Semidesert Zone

B. N. Nasiev and R. Eleshev 613

Features of Abandoned Cemetery Soils on Sandy Substrates
in Northern Poland

L. Majgier, O. Rahmonov, and R. Bednarek

621
