

## CONTENTS

- FUJITA E., VIEITES R.L., DAIUTO É.R., SMITH R.E.*  
Refrigerated storage of the fruits of buriti (*Mauritia flexuosa* L.) 3
- MANUCHEHRI R., SALEHI H., JOWKAR A.*  
Biochemical and physiological adjustments in common Bermudagrass (*Cynodon dactylon* [L.] Pers.) and tall Fescue (*Festuca arundinacea* Schreb.) under low temperature stress 9
- IDRIS I., ARABI M.I.E.*  
The relationship between grape phylloxera and *Fusarium* root infection 14
- ESHGHI S., BAHADORAN M., SALEHI H.*  
Growth of tall fescue (*Festuca arundinacea* Schreb.) seedlings sown in soil mixed with nitrogen and natural zeolite 20
- ABUBAKER S., QRUNFLEH I., HASAN M.*  
Effect of different types of mulches on 'Newton' tomato yields and fruit cracking under plastic greenhouse conditions 25
- MAGNI S., GAETANI M., GROSSI N., CATUREGLI L., LA BELLA S., LETO C., VIRGA G., TUTTOLOMONDO T., LULLI F., VOLTERRANI M.*  
Bernudagrass adaptation in the Mediterranean climate: phenotypic traits of 44 accessions 29
- JAVANMARDI J., ZAREI M., SAEI M.*  
Influence of arbuscular mycorrhizal fungi on physiology and fruit quality of Pepino (*Solanum muricatum* Ait.) in vermicompost amended medium 35
- BEN HAMED I., BILIGUI B., ABELET-BONNIN D., ABDELLY C., BEN HAMED K., BOUTEAU F.*  
Establishment of a cell suspension culture of the halophyte *Cakile maritima* 43
