## Genesis and Geography of Soils

Inclusion of Soils and Soil-Like Bodies of Urban Territories  
into the Russian Soil Classification System

*T. V. Prokofeva, M. I. Gerasimova, O. S. Bezuglova, K. A. Bakhmatova, A. A. Gol'eva,  
S. N. Gorbov, E. A. Zharikova, N. N. Matinyan, E. N. Nakvasina, and N. E. Sivtseva* 959

Assessment of the Relationships between the Distribution of Soil Horizons  
and the Climatic Parameters

*I. O. Alyabina and I. M. Nedanchuk* 968

Quantitative Approach to Classification of Gray Forest Soils in the Volga–Kama  
Forest-Steppe Region

*G. F. Kopusov, A. A. Valeeva, and A. B. Aleksandrova* 980

On the Updating of Medium-Scale Soil Maps

*I. Yu. Savin and S. V. Ovechkin* 987

Match Method and Its Application for the Development  
of a Large-Scale Soil Map

*N. P. Kirillova, T. M. Sileva, T. Yu. Ul'ynova, and I. Yu. Savin* 995

Effects on Soil Properties of Vertic Movements in Calcisols from Southern Spain

*E. Ortega, F. J. Lozano, S. Montoya, and C. Asensio* 1005

---

## Soil Chemistry

Stable Carbon and Oxygen Isotopes in Pedogenic Carbonate Coatings of Chernozems  
in the Southern Cis-Baikalia as Indicators of Local Environmental Changes

*V. A. Golubtsov, A. A. Cherkashina, K. E. Pustovoytov, and K. Stahr* 1015

---

## Soil Biology

Micromycetes in Podzolic and Bog-Podzolic Soils in the Middle Taiga Subzone  
of Northeastern European Russia

*F. M. Khabibullina, E. G. Kuznetsova, and I. Z. Vaseneva* 1027

Epiphytic Bacterial Complexes in Grain Crops: Taxonomic Composition  
and Antagonistic Properties

*E. A. Leontievskaya and T. G. Dobrovol'skaya* 1033

The Impact of Mechanical Comminution of Sphagnum on the Abundance, Structure,  
and Activity of Microbial Complexes

*V. Golovchenko, O. Yu. Bogdanova, A. L. Stepanov, and D. G. Zvyagintsev* 1038

---

## **Degradation, Rehabilitation, and Conservation of Soils**

Comparative Characterization of the Optimum and Actual Parameters  
of Ukrainian Chernozems

*V. V. Medvedev, I. V. Plisko, and O. N. Bigun*

1044

Artificial Permeable Redox Barriers for Purification of Soil and Ground Water:  
A Review of Publications

*Yu. N. Vodyanitskii*

1058

---

## **Genesis and Geography of Soils**

Changes at the Fringe: Soil Quality and Environmental Vulnerability  
During Intense Urban Expansion

*L. Salvati, C. Ferrara, and F. Ranalli*

1069
