

ORYZA

An International Journal on Rice

- Marker assisted selection for identification of recombinants for bacterial blight and blast resistance in segregating populations of Cottondora Sannalu** 105-115
Manu Maya Magar, Ch V Durga Rani*, S Vanisree, Md Jamaloddin, G Swathi,
M Sheshumadhav, G Anuradha, B Sri Chandana and EA Siddiq
- Molecular characterization of short grain aromatic rice landraces of Odisha for detection of aroma** 116-120
Pritesh S Roy, Sudipta Jena, Ashwasit Maharana, GJN Rao and SSC Patnaik*
- Genetic diversity analysis of direct seeded rice genotypes under drought situation** 121-124
Shafina Haque, SK Pradhan and ON Singh
- Storability of polymer coated CORH 3 hybrid rice seeds** 125-130
S Ambika*, M Bhaskaran, V Manonmani and Vanangamudi K
- Effect of liquid seaweed sap on yield and economics of summer rice** 131-135
BS Satapathy*, KB Pun, T Singh and SK Rautaray
- Response of rice to establishment methods and nutrient management practices in medium land** 136-142
TR Mohanty*, SK Maity and PK Roul
- Performance of four row self propelled rice transplanter and weed management practices on productivity of lowland rice** 143-149
C Sangeetha*

Effect of fly ash on the feeding activity of brown planthopper and defence chemicals in rice plant	150-154
P Chandramani*	
Socio-economic analysis of awareness and perception of climate change by the rice farmers in vulnerable regions of Odisha	155-161
Arun Pandit*, BB Panda, KS Rao, SK Bandyopadhyay, S Mohanty, A Das and P Swain	
<u>SHORT COMMUNICATION</u>	
Gene action and combining ability studies in rice	162-164
Savita Bhatti, DP Pandey* and Dharendra Singh	
Effect of genotype on anther culture response in indica rice hybrids of maintainer lines	165-167
Amit Kumar Dash, GJN Rao and RN Rao*	
Response of rice varieties to different establishment methods under system of aerobic rice production	168-171
Subhrasini Lenka and JML Gulati	
Studies on tillage, weed and nutrient management practices on growth and yield in rice	172-176
Jadhav KT*, Jadhav UT, Suryawanshi VP, Alase UN, Awasarmal Vishal	
Screening of rice germplasm lines against rice root-knot nematode <i>Meloidogyne graminicola</i>	177-178
J Berliner*, Somnath S Pokhare, Chakradhar Mishra, Mayabini Jena and ON Singh	
Determination of producer's surplus and consumer's surplus in organic rice	179-181
D Nagaraj and B Chinnappa*	
Instructions to author	182
