Im Wirtschaftsleben gehört die Globalisierung zum Alltag. Wenn der Geschäftspartner in Asien «Ja» sagt, ist das keine verbindliche Zusage. Das Wort «Nein», wie wir es brauchen, kennt er gar nicht.

Mit «Kollegen aus Dingsda» vermittelt Dr. h.c. Clemens Becher gut gegliedert und leicht verständlich das nötige Wissen, um Arbeitskollegen, Kunden und Geschäftspartner aus andern Kulturkreisen zu verstehen. Kulturen unterscheiden sich durch kollektivistische und individualistische Grundhaltungen, durch ihre Einstellung zu Machträgern, durch feminine und maskuline Ausrichtung, aber auch durch unterschiedlichen Umgang mit Unsicherheit und zeitlichen Perspektiven. Manager, die das verstanden haben, entwickeln die nötigen Kompetenzen, um gemischtkulturelle Teams zu führen und ihr Unternehmen wirklich global auszurichten.
